ADMISSIONS AND CONTINUED OCCUPANCY POLICY

This Admissions and Continued Occupancy Policy defines the Housing Authority of Lincoln County's policies for the operation of the Public Housing Program, incorporating Federal, State and local law. If there is any conflict between this policy and laws or regulations, the laws and regulations will prevail.

1.0 FAIR HOUSING

It is the policy of the Housing Authority of Lincoln County to fully comply with all Federal, State and local nondiscrimination laws; the Americans with Disabilities Act; and the U. S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity. The Housing Authority of Lincoln County shall affirmatively further fair housing in the administration of its public housing program.

No person shall, on the grounds of race, color, sex, religion, national or ethnic origin, familial status, sexual orientation, gender identification, marital status, source of income or disability, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the Housing Authority of Lincoln County's programs.

No inquiries shall be made about a person's sexual orientation or gender identity. However, the Housing Authority of Lincoln County may inquire about a person's sex in order to determine the number of bedrooms a household may be eligible for under the occupancy standards or to accurately complete HUD's 50058.

To further its commitment to full compliance with applicable Civil Rights laws, the Housing Authority of Lincoln County will provide Federal/State/local information to applicants/tenants of the Public Housing Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination. Such information will be made available with the application, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the Housing Authority of Lincoln County office. In addition, all written information and advertisements will contain the appropriate Equal Opportunity language and logo.

The Housing Authority of Lincoln County will assist any family that believes they have suffered illegal discrimination by providing the family with copies of the appropriate housing discrimination forms. The Housing Authority of Lincoln County will also assist them in completing the forms if requested, and will provide them with the address of the nearest HUD office of Fair Housing and Equal Opportunity. The Housing Authority of Lincoln County will keep records of all complaints, investigations, notices and corrective actions for five years.

2.0 REASONABLE ACCOMMODATION

Sometimes people with disabilities may need a reasonable accommodation in order to take full advantage of the Housing Authority of Lincoln County housing programs and related services. When such accommodations are granted, they do not confer special treatment or advantage for the person with a disability; rather, they make the program accessible to them in a way that would otherwise not be possible due to their disability. This policy clarifies how people can request accommodations and the guidelines the Housing Authority of Lincoln County will follow in determining whether it is reasonable to provide a requested accommodation. Because disabilities are not always apparent, the Housing Authority of Lincoln County will ensure that all applicants/tenants are aware of the opportunity to request reasonable accommodations.

2.1 COMMUNICATION

Anyone requesting an application will also receive information on how to make a Request for Reasonable Accommodation. The Reasonable Accommodation policy is posted at the Housing Authority of Lincoln County office and is distributed on request to applicants and tenants.

All decisions granting or denying requests for reasonable accommodations will be in writing.

2.2 QUESTIONS TO ASK IN GRANTING THE ACCOMMODATION

- A. Is the requestor a person with disabilities? For this purpose the definition of person with disabilities is different than the definition used for admission. The Fair Housing definition used for this purpose is:

A person with a physical or mental impairment that substantially limits one or more major life activities, has a record of such an impairment, or is regarded as having such an impairment. (The disability may not be apparent to others, i.e., a heart condition.)

If the disability is apparent or already documented, the answer to this question is yes. It is possible that the disability for which the accommodation is being requested is a disability other than the apparent disability. If the disability is not apparent or documented, the Housing Authority of Lincoln County will obtain verification that the person requesting the accommodation is a person with a disability.

- B. Is the requested accommodation related to the disability? If it is apparent that the request is related to the apparent or documented disability, the answer to this question is yes. If it is not apparent, the Housing Authority of Lincoln County will obtain documentation that the requested accommodation is needed due to the disability. The Housing Authority of Lincoln County will not inquire as to the nature of the disability.
- C. Is the requested accommodation reasonable? In order to be determined reasonable, the accommodation must meet two criteria:
1. Would the accommodation constitute a fundamental alteration? The Housing Authority of Lincoln County's business is housing. If the request would alter the fundamental business that the Housing Authority of Lincoln County conducts, that would not be reasonable. For instance, the Housing Authority of Lincoln County would deny a request to have the Housing Authority of Lincoln County do grocery shopping for a person with disabilities.
 2. Would the requested accommodation create an undue hardship? Frequently the requested accommodation costs little or nothing. If the cost would be an undue burden, the Housing Authority of Lincoln County may request a meeting with the individual to investigate and consider equally effective alternatives.
- D. Generally the individual knows best what it is he or she needs; however, the Housing Authority of Lincoln County retains the right to be shown how the requested accommodation enables the individual to access or use the Housing Authority of Lincoln County's programs or services.

If more than one accommodation is equally effective in providing access to the Housing Authority of Lincoln County's programs and services, the Housing Authority of Lincoln County retains the right to select the most efficient or economic choice.

The cost necessary to carry out approved requests, including requests for physical modifications, will be borne by the Housing Authority of Lincoln County if there is no one else willing to pay for the modifications. If another party pays for the modification, the Housing Authority of Lincoln County will seek to have the same entity pay for any restoration costs.

If the tenant requests as a reasonable accommodation that they be permitted to make physical modifications at their own expense, the Housing Authority of Lincoln County will generally approve such request if it does not violate codes or

affect the structural integrity of the unit.

Any request for an accommodation that would enable a tenant to materially violate essential lease terms will not be approved, i.e., allowing nonpayment of rent, destruction of property, disturbing the peaceful enjoyment of others, etc.

3.0 SERVICES FOR NON-ENGLISH SPEAKING APPLICANTS AND RESIDENTS

The Housing Authority of Lincoln County shall do its best, within reason, to assist people with Limited English Proficiency (LEP). This shall be accomplished by assessing the need of LEP persons using the four factors described in the January 22, 2007 Final Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons; Notice published in the Federal Register. The Housing Authority of Lincoln County shall balance these factors in deciding what to do:

- A. The number or proportion of LEP persons served or encountered in the eligible service area;
- B. The Frequency with which LEP individuals come in contact with the program;
- C. The nature and importance of the program, activity, or service provided by the program; and
- D. The resources available to the Housing Authority and costs.

Depending upon what this analysis reveals, the Housing Authority of Lincoln County may or may not prepare a Language Access Plan (LAP). If a LAP is needed, the guidance outlined in the above reference Notice shall be utilized.

In addition, the Housing Authority of Lincoln County will endeavor to have bilingual staff or access to people who speak languages other than English.

4.0 FAMILY OUTREACH

The Housing Authority of Lincoln County will publicize the availability and nature of the Public Housing Program for extremely low-income, very low and low-income families in a newspaper of general circulation, minority media, and by other suitable means.

To reach people who cannot or do not read the newspapers, the Housing Authority of Lincoln County will initiate personal contacts with community service personnel. The

Housing Authority of Lincoln County will also try to utilize public service announcements.

The Housing Authority of Lincoln County will communicate the status of housing availability to other service providers in the community and inform them of housing eligibility factors and guidelines so they can make proper referrals for the Public Housing Program. The Housing Authority of Lincoln County is a One Stop partner with other community agencies serving low income individuals in Lincoln County.

The Housing Authority of Lincoln County Web site at www.halc.info/ is easily accessible and user friendly. The web site provides information on how to apply, income guidelines and has an application form that can be printed for use.

The objective of this effort is to develop a waiting list that is representative of our low-income community. A particular emphasis will be placed on attracting eligible individuals and families least likely to apply for public housing.

5.0 RIGHT TO PRIVACY

All adult members of both applicant and tenant households are required to annually sign HUD Form 9886, Authorization for Release of Information and Privacy Act Notice. The Authorization for Release of Information and Privacy Act Notice states how family information will be released and includes the Federal Privacy Act Statement.

Any request for applicant or tenant information will not be released unless there is a signed release of information request from the applicant or tenant.

6.0 REQUIRED POSTINGS

In each of its offices, the Housing Authority of Lincoln County will post, in a conspicuous place and at a height easily read by all persons including persons with mobility disabilities, the following information:

- A. Statement of Policies and Procedures governing Admission and Continued Occupancy
- B. Notice of the status of the waiting list (opened or closed)
- C. A listing of all the developments by name, address, number of units, units designed with special accommodations, address of all project offices, office hours, telephone numbers, TDD numbers, and Resident Facilities and operation hours

- D. Income Limits for Admission
- E. Excess Utility Charges
- F. Utility Allowance Schedule
- G. Current Schedule of Routine Maintenance Charges
- H. Dwelling Lease
- I. Grievance Procedure
- J. Fair Housing Poster
- K. Equal Opportunity in Employment Poster
- L. Any current Housing Authority of Lincoln County Notices
- M. The agency's PHAS score and designation

7.0 TAKING APPLICATIONS

Families wishing to apply for the Public Housing Program will be required to complete an application for housing assistance. Applications will be accepted during regular business hours at:

Housing Authority of Lincoln County – Main Office
1039 N.W. Nye Street, Newport, OR 97365

Or by Mail
HALC
P.O. Box 1470, Newport, OR 97365

Applications are taken to compile a waiting list. Due to the demand for housing in the Housing Authority of Lincoln County jurisdiction, the Housing Authority of Lincoln County may take applications on an open enrollment basis, depending on the length of the waiting list.

Completed applications will be accepted for all applicants and the Housing Authority of Lincoln County will verify the information. Applicants will be provided the opportunity to complete the information on form HUD-92006, Supplement to Application for Federally Assisted Housing. The form gives applicants the option to identify an individual or organization that the Housing Authority may contact and the reason(s) the individual or organization may be contacted. The applicants, if they choose to provide the additional contact information, must sign and date the form.

If the applicant chooses to have more than one contact person or organization, the applicant must make clear to the Housing Authority the reason each person or organization may be contacted. The Housing Authority will allow the applicant to complete a form HUD-92006 for each contact and indicating the reason the Housing Authority may contact the individual or organization. For example, the applicant may choose to have a relative as a contact for emergency purposes and an advocacy organization for assistance for tenancy purposes.

Those applicants who choose not to provide the contact information should check the box indicating that they “choose not to provide the contact information” and sign and date the form.

Applications may be made in person on Monday through Thursday 8:30 a.m. to noon and 1:00 to 4:00 p.m. Applications will be mailed to interested families upon request.

The completed application will be dated and time stamped upon its return to the Housing Authority of Lincoln County.

Persons with disabilities who require a reasonable accommodation in completing an application may call the Housing Authority of Lincoln County to make special arrangements. A Telecommunication Device for the Deaf (TDD) is available for the deaf. The TDD telephone number is 800 735-1232.

The application process will involve two phases. The first phase is the initial application for housing assistance or the pre-application. The pre-application requires the family to provide limited basic information (i.e. family composition, income, etc.) establishing any preferences to which they may be entitled. This first phase results in an apparently eligible family’s placement on the waiting list.

Upon receipt of the family's pre-application, the Housing Authority of Lincoln County will make a preliminary determination of eligibility. The Housing Authority of Lincoln County will notify an apparently eligible family in writing of the date and time of placement on the waiting list, and the approximate wait before housing may be offered. If the Housing Authority of Lincoln County determines the family to be ineligible, the

notice will state the reasons therefore and will offer the family the opportunity of an informal review of the determination.

The applicant may at any time report changes in their applicant status including changes in family composition, income, or preference factors. The Housing Authority of Lincoln County will annotate the applicant's file and will update their place on the waiting list. Confirmation of the changes will be made in writing.

The second phase is the final determination of eligibility, referred to as the full application. The full application takes place when the family nears the top of the waiting list. The Housing Authority of Lincoln County will ensure that verification of all preferences, eligibility, suitability and selection factors are current (less than 90 calendar days old) in order to determine the family's final eligibility for admission into the Public Housing Program. Applicants will be given the opportunity to update their HUD Form 92006 if they desire.

Families are informed that a lack of response to written communication results in the application being removed from the active waiting list. If the failure to respond is due to a verifiable medical emergency or documented mail delivery problem and the family contacts HALC within 10 days of the date of the notification of non-response letter, the application will be reactivated within the original date of application. If the family contacts HALC more than 10 days from the date of the notification of non-response letter, the family will be required to complete a new application.

The waiting list is closed indefinitely to single persons who are not elderly, disabled or displaced as defined in this policy. Individuals or households that are disabled will not qualify for housing solely based on their disability status. They must meet all eligibility standards expressed in this Policy.

8.0 ELIGIBILITY FOR ADMISSION

8.1 INTRODUCTION

There are seven (7) eligibility requirements for admission to public housing:

1. Qualifies as a family;
2. Has an income within the HUD established income limits. Provides adequate evidence that anticipated or actual income for previous twelve month period does not exceed the HUD established income limits for admission.
3. Meets citizenship/eligible immigrant criteria. Rental assistance varies depending on immigrant status. A minimum of one family member must be a United States

citizen, national or category of eligible non-citizen, as governed by Section 214 of the Housing and Community development act of 1980 and 24 CFR Part 5. See Section 8.2 C. of this policy.

4. Provides documentation of Social Security numbers. Have disclosed and verified the social security numbers for all family members age six years and older as required by federal regulations.
5. Signs consent authorization documents. Authorization for Release of Information forms.
6. Has the ability to sign a rental agreement and be legally bound by its terms under state or local law. Generally this means that the Head of Household must be 18 years or age or older, or must be an emancipated minor through a court order document. A single person with child or with proof of legal emancipation will be required;
7. Meets the Suitability criteria outlined in section 8.3

8.2 ELIGIBILITY CRITERIA

- A. Family Status - All families must have a Head of Household or Co-Heads of Household. Family includes, but is not limited to, the following, regardless of actual or perceived sexual orientation, gender identity, or marital status.
 1. A family with or without children. Such a family is defined as a group of people related by blood, marriage, adoption or affinity regardless of actual or perceived sexual orientation, gender identity, or marital status that live together in a stable family relationship.
 - a. In order for a minor child who is not a legally emancipated minor, to be included as a member of a household for whom the Head of Household is not the birth parent or adoptive parent, Head of Household must demonstrate legal proof of guardianship for the minor child or children.
 - b. Children temporarily absent (less than 3 months) from the home due to placement in foster care are considered family members.
 - c. Unborn children and children in the process of being adopted are considered family members for the purpose of determining bedroom size but are not considered family members for determining income limit.

2. An elderly family, which is:
 - a. A family whose head including co-head, spouse, or sole member is a person who is at least 62 years of age;
 - b. Two or more persons who are at least 62 years of age living together; or
 - c. One or more persons who are at least 62 years of age living with one or more live-in aides.
3. A near-elderly family, which is:
 - a. A family whose head including co-head, spouse, or sole member is a person who is at least 50 years of age but below the age of 62;
 - b. Two or more persons, who are at least 50 years of age but below the age of 62, living together; or
 - c. One or more persons, who are at least 50 years of age but below the age of 62, living with one or more live-in aides.
4. A disabled family, which is:
 - a. A family whose head including co-head, spouse, or sole member is a person with disabilities;
 - b. Two or more persons with disabilities living together; or
 - c. One or more persons with disabilities living with one or more live-in aides.
 - d. For purposes of qualifying for low-income housing, does not include a person whose disability is based solely on any drug or alcohol dependence.
5. A displaced family, which is a family in which each member, or whose sole member, has been displaced by governmental action, or whose dwelling has been extensively damaged or destroyed as a result of a disaster declared or otherwise formally recognized pursuant to Federal disaster relief laws.

6. A remaining member of a tenant family. If the remaining member of a tenant family is a minor or minors, it will be necessary for an adult to temporarily move into a unit to serve as a guardian for children residing in the unit. The income received by the temporary guardian will be counted in determining family income. Although typically a criminal background check is required before anyone can move into a public housing unit, this requirement will be waived for a guardian in this situation. Instead, the background check will occur after the person moves in. If the results of the check dictate that the person is ineligible for public housing, the family shall be given a reasonable time to find a replacement guardian or vacate the property.
7. A single person who is not an elderly or displaced person, a person with disabilities, or the remaining member of a tenant family.

B. Income Eligibility

1. To be eligible for admission to developments or scattered-site units, the family's annual income must be within the low-income limit set by HUD. This means the family income cannot exceed 80 percent of the median income for the area. If the property has Low Income Housing Tax Credits on it, a lower income cap will apply.
2. Income limits apply only at admission and are not applicable for continued occupancy.
3. A family may not be admitted to the public housing program from another assisted housing program (e.g., tenant-based Section 8) or from a public housing program operated by another housing authority without meeting the income requirements of the Housing Authority of Lincoln County.
4. If the Housing Authority of Lincoln County acquires a property for federal public housing purposes, the families living there must have incomes within the low-income limit in order to be eligible to remain as public housing residents.
5. Income limit restrictions do not apply to families transferring within our Public Housing Program.
6. The Housing Authority of Lincoln County may allow police officers who would not otherwise be eligible for occupancy in public housing to reside in a public housing dwelling unit. Such occupancy must be needed to increase security for public housing residents. Their rent shall at least

equal the cost of operating the public housing unit.

7. If there are no eligible families on the waiting list and the Housing Authority of Lincoln County has published a 30 calendar day notice of available units in at least one newspaper of general circulation, families above the applicable income limit may be housed. They must agree in writing to vacate the unit if an eligible family applies.

C. Citizenship/Eligibility Status

To be eligible for public housing each member of the family must be a citizen, national, or a non-citizen who has eligible immigration status under one of the categories set forth in Section 214 of the Housing and Community Development Act of 1980 (see 42 U.S.C. 1436a(a)) or a citizen of the Republic of Marshall Islands, the Federated States of Micronesia, or the Republic of Palau. However, people in the last category are not entitled to housing assistance in preference to any United States citizen or national resident within Guam.

1. Family eligibility for assistance.
 - a. A family shall not be eligible for assistance unless at least one member of the family residing in the unit is determined to have eligible status, with the exception noted below.
 - b. Despite the ineligibility of one or more family members, a mixed family may be eligible for one of three types of assistance (See Section 13.6 for calculating rents under the non-citizen rule).
 - d. A family without any eligible members and receiving assistance on June 19, 1995, may be eligible for temporary deferral of termination of assistance.
2. All adults must be able to sign the lease. If the State of Oregon forbids individuals with ineligible immigration status from executing contracts (i.e. leases or other legal binding documents), then they are ineligible for this program

D. Social Security Number Documentation

Prior to admission, every family member must provide the Housing Authority of Lincoln County with a complete and accurate Social Security Number unless they do not contend eligible immigration status. New family members must provide this verification prior to being added to the lease. If the new family member

became a member of the household within six months prior to the date of admission and is under the age of six and has not been assigned a Social Security Number, the family shall have ninety (90) calendar days after starting to receive the assistance to provide a complete and accurate Social Security Number. The Housing Authority shall grant one ninety (90) day extension for newly added family members under the age of six if in its sole discretion it determines that the person's failure to comply was due to circumstances that could not have reasonably been foreseen and was outside the control of the person. If the Social Security Number is not provided within the required period, the assistance shall be terminated.

If a person is already a program participant and has not disclosed his or her Social Security Number, it must be disclosed at the next re-examination or re-certification.

Participants aged 62 or older as of January 31, 2010 whose initial eligibility determination was begun before January 31, 2010 are exempt from the required disclosure of their Social Security Number. This exemption continues even if the individual moves to a new assisted unit.

The best verification of the Social Security Number is the original Social Security card. If the card is not available, the Housing Authority will accept an original document issued by a federal or state government agency, which contains the name of the individual and the Social Security Number of the individual, along with other identifying information of the individual or such other evidence of the Social Security Number as HUD may prescribe in administrative instructions.

If an individual fails to provide the verification within the time allowed, the family will be denied assistance or will have their assistance terminated. The Housing Authority shall grant one ninety (90) day extension from termination if in its sole discretion it determines that a person's failure to comply was due to circumstances that could not have reasonably been foreseen and there is a reasonable likelihood that the person will be able to disclose a Social Security Number by the deadline.

E. Signing Consent Forms

1. In order to be eligible, each member of the family who is at least 18 years of age, and each family head and spouse regardless of age, shall sign one or more consent forms.
2. The consent form must contain, at a minimum, the following:

- a. A provision authorizing HUD or the Housing Authority of Lincoln County to obtain from State Wage Information Collection Agencies (SWICAs) any information or materials necessary to complete or verify the application for participation or for eligibility for continued occupancy;
- b. A provision authorizing HUD or the Housing Authority of Lincoln County to verify with previous or current employers or other sources of income information pertinent to the family's eligibility for or level of assistance;
- c. A provision authorizing HUD to request income information from the IRS and the SSA for the sole purpose of verifying income information pertinent to the family's eligibility or level of benefits;
- d. A statement allowing the Housing Authority of Lincoln County permission to access the applicant's criminal record with any and all police and/or law enforcement agencies, and
- e. A statement that the authorization to release the information requested by the consent form expires 15 months after the date the consent form is signed.
- f. Housing Authority of Lincoln County general consent form.

F. Special College Student Eligibility Rules

In order to be eligible for public housing, college students living outside their parents or guardians homes must have established a separate household for at least one year prior to applying to the public housing program. This will be verified by presenting to the Housing Authority of Lincoln County evidence of the establishment of the separate household.

The college student must not be claimed as a dependent by parents or guardians on their IRS returns. This will be verified by examining the student's IRS return for the previous year. The Housing Authority of Lincoln County will examine the box that asks if someone else claimed them on their tax return.

If the student is receiving an athletic scholarship that includes over \$5000 a year for housing costs, the student shall not be eligible for public housing.

8.2 G. Over-income Residents

The Housing Authority of Lincoln County shall track all public housing residents who have an income over 120% of the Area Median Income (AMI). After

exceeding this 120% threshold for two (2) consecutive years, the resident's rent shall change. Further details will be included in this section, after HUD regulations are published. This is being inserted in the ACOP at this time to give our residents notice of this changing policy being implemented by HUD.

8.3 *SUITABILITY*

- A. Applicant families will be evaluated to determine whether, based on their recent behavior, such behavior could reasonably be expected to result in compliance with the public housing lease. The Housing Authority of Lincoln County will look at past conduct as an indicator of future conduct. Emphasis will be placed on whether a family's admission could reasonably be expected to have a detrimental effect on the development environment, other tenants, Housing Authority of Lincoln County employees, or other people residing in the immediate vicinity of the property. Otherwise eligible families will be denied admission if they fail to meet the suitability criteria. Income eligible families will be denied admission if they fail to meet the suitability criteria.

- B. The Housing Authority of Lincoln County will consider objective and reasonable aspects of the family's background, including the following:
 - 1. History of meeting financial obligations, especially rent and any utility payments;
 - 2. Ability to maintain (or with assistance would have the ability to maintain) their housing in a decent and safe condition based on living or housekeeping habits and whether such habits could adversely affect the health, safety, or welfare of other tenants;
 - 3. History of criminal convictions within the past five years by any household member involving felony convictions for crimes of physical violence or weapons against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff or cause damage to the property;
 - 4. Drug-related criminal activity for manufacture or production of methamphetamine on the premises of federally assisted housing. Permanent denial of assistance.
 - 5. Having committed fraud in connection with any Federal housing

assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from; and

6. History of abusing alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment by others.
7. History of disturbing neighbors or destruction of property
8. F.E.D. filings within past five years (5) years.

C. The Housing Authority of Lincoln County will ask applicants to provide information demonstrating their ability to comply with the essential elements of the lease. The Housing Authority of Lincoln County will verify the information provided. Such verification may include but may not be limited to the following:

1. A credit check of the head, spouse, co-head, and any other adult family members;
2. A rental history check of all adult family members;
3. A criminal background check on all adult household members, including live-in aides at no cost to the applicant. This check will be made through State or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. Where the individual has lived outside the local area, the Housing Authority of Lincoln County may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC). This criminal background check will proceed after each adult household member has signed a consent form designed by the Housing Authority of Lincoln County.

The information received as a result of the criminal background check shall be used solely for screening, lease enforcement and eviction purposes. The information derived from the criminal background check shall be shared only with employees of the Housing Authority of Lincoln County who have a job-related need to have access to the information. The information shall be maintained confidentially, not misused or improperly disseminated, and destroyed once the purpose(s) for which it was requested has been accomplished and the period for filing a challenge to the Housing Authority of Lincoln County's action has expired without a challenge or final disposition of any litigation has occurred;

4. A home visit. The home visit provides the opportunity for the family to demonstrate their ability to maintain their home in a safe and sanitary manner. This inspection considers cleanliness and care of rooms, appliances, and appurtenances. The inspection may also consider any evidence of criminal activity; and
5. A check of the State's lifetime sex offender registration program for each adult household member, including live-in aides. No household with an individual registered under a State sex offender registration will be admitted to public housing. The Housing Authority of Lincoln County will check with our State registry and if the applicant has resided in another State(s), with that State(s)'s list. The Housing Authority of Lincoln County will utilize the US Department of Justice's Dru Sjodin National Sex Offender website as an additional resource. The Dru Sjodin National Sex Offender Database is an online, searchable database, hosted by the Department of Justice, which combines the data from individual state sex offender registries.
6. Determining whether any supportive services that the applicant says they will rely upon to help them be lease compliant are actually available to that applicant.

If an applicant is about to be denied housing based on either the criminal check or the sex offender registration program, the applicant will be informed of this fact and given an opportunity to dispute the accuracy of the information before the denial or eviction occurs. Applicants that are denied housing will be given a "Notice of Occupancy Rights under the Violence Against Women Act" which provides information on their rights and responsibilities under the Violence Against Women Act (VAWA). A copy of the HUD-approved Certification form shall also be provided with the notice.

8.4 GROUND FOR DENIAL

The Housing Authority of Lincoln County is not required or obligated to assist families where applicants or members of the applicant's household:

- A. Do not meet any one or more of the eligibility criteria;
- B. Do not meet any one or more of the Suitability criteria;
- C. Do not supply information or documentation required by the application process including but not limited to not signing and submitting consent forms as required;

- D. Have failed to respond to a written request for information or a request to declare their continued interest in the program;
- E. Have a history of not meeting financial obligations, especially rent;
- F. Do not have the ability to maintain (with assistance) their housing in a decent and safe condition where such habits could adversely affect the health, safety, or welfare of other tenants. Being a victim of domestic violence, dating violence, sexual assault or stalking is not an appropriate basis for denial of program assistance or for denial of admission, if the applicant otherwise qualifies for assistance or admission. The Authority will require verification in all cases where an applicant claims protection against an action proposed to be taken by the Authority involving such individual. Types of acceptable verifications are outlined in Section 20.2B of the ACOP, and must be submitted within 14 business days after receipt of the Housing Authority's written request for verification;
- G. Have a history of criminal convictions by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well-being of other tenants or staff or cause damage to the property;
- H. Have a history of disturbing neighbors or destruction of property;
- I. Currently owes rent or other amounts to any housing authority in connection with their public housing or Section 8 programs; or who are former residents of HALC owned or managed property who left owing a balance. Applicants with current repayment agreements will be allowed on the waiting list as long as they are fulfilling the agreement payment plan; however, they will not be housed until the entire balance is paid in full.
- J. Are former applicants, residents of a HALC owned or managed property who are on a HALC trespass list or have committed fraud, bribery or any other corruption in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from;
- K. Were evicted from federally assisted housing because of a drug-related criminal activity or are illegally using a controlled substance or are abusing alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents. For purposes of this section, a member is "currently engaged in" the criminal activity if the person has engaged in this behavior recently enough to justify a reasonable belief that the behavior is current;

HALC will look at convictions and arrests for drug-related or violent criminal activity within the last 3-5 years. A conviction will be given more weight than an arrest, and HALC may consider all mitigating circumstances.

However, the Housing Authority of Lincoln County may admit the household if the PHA determines:

1. The circumstances leading to the eviction no longer exist (for example, the criminal household member is imprisoned or has died).
 2. That the evicted household member who engaged in drug-related criminal activity has successfully completed a supervised drug rehabilitation program, the ineligible period will be reduced by one year.
- L. Have engaged in or threatened abusive or violent behavior towards any Housing Authority of Lincoln County staff member or resident;
- M. Failed to complete the final application truthfully or provided false application information statements;
- N. Have committed fraud, bribery or any other corruption in connection with any State or Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from;
- O. Have household members who are fugitive felons, parole violators, and/or persons fleeing to avoid prosecution or custody or confinement after conviction for a crime, or attempt to commit a crime, that is a felony under the laws of the place from which the individual flees;
- P. Have a household member who has ever been evicted from public housing or other housing owned or managed by the Housing Authority of Lincoln County;
- Q. Have a family household member who has been terminated under the Section 8 Housing Choice Voucher Program;
- R. **Denied for Life:** If any family member has been convicted of manufacturing or producing methamphetamine (speed) in a public housing development, in a Section 8 assisted property, or on the premises of other federally assisted housing;
- S. **Denied for Life:** Has a lifetime registration under a State sex offender registration program.

Being a victim of domestic violence, dating violence, or stalking is not an appropriate basis for denial of program assistance or for denial of admission, if the applicant otherwise qualifies for assistance or admission. HALC will require verification in all cases where an applicant claims protection against an action proposed to be taken by the Authority involving such individual. Types of acceptable verifications are outlined in Section 20.2B of the ACOP, and must be submitted within 14 business days after receipt of the Housing Authority's written request for verification.

New admissions of medical marijuana users are prohibited (this does not include FDA-approved marijuana synthetics). HUD has ruled that federal law preempts state law on this issue.

Before the Housing Authority of Lincoln County denies admission to the Housing Authority of Lincoln County's public housing program on the basis of a criminal record, the Housing Authority of Lincoln County must notify the household of the proposed action and must provide the person with the criminal record (i.e., a child) and the applicant (head of household) with a copy of the criminal record and an opportunity to dispute the accuracy and relevance of that record. The applicant will have ten business (10) calendar days to dispute the accuracy and relevance of the record in writing. If the Housing Authority of Lincoln County does not receive the dispute within the allotted time, the applicant will be denied.

Applicants who have been denied based upon suitability will have a waiting period of one (1) year from the date of written denial by HALC before being able to reapply for Public Housing;

8.6 INFORMAL REVIEW

- A. If the Housing Authority of Lincoln County determines that an applicant does not meet the criteria for receiving public housing assistance, the Housing Authority of Lincoln County will promptly provide the applicant with written notice of the determination. The notice must contain a brief statement of the reason(s) for the decision and state that the applicant may request in writing an informal review of the decision within 10 business days of the denial. The Housing Authority of Lincoln County will describe how to obtain the informal review.

The informal review may be conducted by any person designated by the Housing Authority of Lincoln County. The applicant must be given the opportunity to present written or oral objections to the Housing Authority of Lincoln County's decision. The Housing Authority of Lincoln County must notify the applicant of

the final decision within 20 calendar days after the informal review, including a brief statement of the reasons for the final decision.

- B. The applicant may request that the Housing Authority of Lincoln County provide for an Informal Hearing after the family has notification of an INS decision on their citizenship status on appeal, or in lieu of request of appeal to the INS. This request must be made by the applicant within 30 calendar days of receipt of the Notice of Denial or Termination of Assistance, or within 30 calendar days of receipt of the INS appeal decision.

For the applicants, the Informal Hearing Process above will be utilized with the exception that the applicant will have up to 30 calendar days of receipt of the Notice of Denial or Termination of Assistance, or of the INS appeal decision.

9.0 MANAGING THE WAITING LIST

9.1 OPENING AND CLOSING THE WAITING LIST

Opening of the waiting list will be announced with a public notice stating that applications for public housing will again be accepted. The public notice will state where, when, and how to apply. The notice will be published in a local newspaper of general circulation and also by any available minority media. The public notice will state any limitations to who may apply.

The notice will state that applicants already on waiting lists for other housing programs must apply separately for this program and such applicants will not lose their place on other waiting lists when they apply for public housing. The notice will include the Fair Housing logo and slogan and will be in compliance with Fair Housing requirements.

Closing of the waiting list will also be announced with a public notice. The public notice will state the date the waiting list will be closed and for what bedroom sizes. The public notice will be published in a local newspaper of general circulation and also by any available minority media.

9.2 ORGANIZATION OF THE WAITING LIST

The waiting list will be maintained in accordance with the following guidelines:

- A. The application will be a permanent file;
- B. All applications will be maintained in order of bedroom size, preference, and then in order of date and time of application; and

- C. Any contact between the Housing Authority of Lincoln County and the applicant will be documented in the applicant file.

9.3 *FAMILIES NEARING THE TOP OF THE WAITING LIST*

When a family appears to be nearing the top of the waiting list, the family will be sent a final application and the verification process will begin. It is at this point in time that the family's waiting list preference will be verified. If the family no longer qualifies to be near the top of the list, the family's name will be returned to the appropriate spot on the waiting list. The Housing Authority of Lincoln County must notify the family in writing of this determination and give the family the opportunity for an informal review.

Once the preference has been verified, the family will complete a full application, present Social Security number information, citizenship/eligible immigrant information, and sign the Consent for Release of Information forms.

Applicants will also be given the opportunity to update their HUD Form 92006 if applicable and if they desire.

9.4 *PURGING THE WAITING LIST*

The Housing Authority of Lincoln County will update and purge its waiting list at least annually to ensure that the pool of applicants reasonably represents the interested families for whom the Housing Authority of Lincoln County has current information, i.e., applicant's address, family composition, income category, and preferences.

9.5 *REMOVAL OF APPLICANTS FROM THE WAITING LIST*

The Housing Authority of Lincoln County will not remove an applicant's name from the waiting list unless:

- A. The applicant requests in writing or by telephone that the name be removed;
- B. The applicant fails to respond to a written request for information or a request to declare their continued interest in the program or mail sent to the address of record is returned undeliverable;
- C. The applicant does not meet either the eligibility or suitability criteria for the program; or
- D. The applicant is housed.

9.6 MISSED APPOINTMENTS

All applicants who fail to keep a scheduled appointment with the Housing Authority of Lincoln County will be sent a notice of termination of the process for eligibility. If the applicant protests the termination, the Housing Authority of Lincoln will allow the applicant to reschedule. No more than one opportunity will be given to reschedule without good cause, and no more than two opportunities will be given for good cause.

9.7 NOTIFICATION OF NEGATIVE ACTIONS

The HALC Grievance Policy does not apply to applicants.

Any applicant whose name is being removed from the waiting list will be notified by the Housing Authority of Lincoln County, in writing, that they have ten (10) business days from the date of the written correspondence to present mitigating circumstances or request in writing an informal review. The letter will also indicate that their name will be removed from the waiting list if they fail to respond within the timeframe specified. The Housing Authority of Lincoln County system of removing applicant names from the waiting list will not violate the rights of persons with disabilities. If an applicant claims that their failure to respond to a request for information or updates was caused by a disability, the Housing Authority of Lincoln County will verify that there is in fact a disability and the disability caused the failure to respond, and will provide a reasonable accommodation. An example of a reasonable accommodation would be to reinstate the applicant on the waiting list based on the date and time of the original application.

10.0 TENANT SELECTION AND ASSIGNMENT PLAN

10.1 PREFERENCES

The Housing Authority of Lincoln County will select families based on the following preferences within each bedroom size category based on our local housing needs and priorities:

- A. Applicants with an adult family member who either lives or works or has been hired to work in Lincoln County, Oregon.** The residency preference will not have the purpose or effect of delaying or otherwise denying admission to the program based on the race, color, ethnic origin, gender, religion, disability, or age of any member of an applicant family.

- B. Displaced person(s): Individuals or families displaced by government action or whose dwelling has been extensively damaged or destroyed as a result of a disaster declared or otherwise formally recognized pursuant to Federal Disaster Relief Laws.**

C. All other applicants

The date and time of application will be noted and utilized to determine the sequence within the above prescribed preferences.

Notwithstanding the above, families who are elderly, disabled, or displaced will be offered housing before other single persons.

Accessible Units: Accessible units will be first offered to families who may benefit from the accessible features who reside in the development that has the vacancy. If there are no families residing in that development needing the accessible unit, it shall then be offered to families residing in other developments who may benefit from the accessible unit. If there are no families residing in the other developments needing the accessible unit, it shall then be offered to applicants on the waiting list who may benefit from the accessible features. Applicants for these units will be selected utilizing the same preference system as outlined above.

If there are no applicants who would benefit from the accessible features, the units will be offered to other applicants in the order that their names come to the top of the waiting list. Such applicants, however, will be requested to sign a lease rider stating they will accept a transfer (at the Housing Authority's expense) if, at a future time, a family requiring an accessible feature applies or a family requires a transfer from a non-accessible unit. Any family required to transfer will be given a 30-day notice.

10.1.1 HOUSING FOR KATRINA VICTIMS

In the case of a federally declared disaster, the Housing Authority of Lincoln County reserves the right for its Executive Director to suspend its preference system whatever duration the Executive Director feels is appropriate and to admit victims of the disaster to the program instead of those who would be normally admitted. Any other provisions of this policy can also be suspended during the emergency at the discretion of the Executive Director so long as the provision suspended does not violate a law. If regulatory waivers are necessary, they shall be promptly requested of the HUD Assistant Secretary for Public and Indian Housing.

10.2 ASSIGNMENT OF BEDROOM SIZES

The following guidelines will determine each family's unit size without overcrowding or over-housing:

Number of Bedrooms	Number of Persons	
	Minimum	Maximum
0	N/A	N/A
1	1	2
2	2	4
3	3	6
4	4	8

These standards are based on the assumption that each bedroom will accommodate no more than two (2) persons. A husband and wife or two adults who consider themselves a couple will share a bedroom. Two adults or two children of the same sex will share a bedroom unless written verification of a justifiable exception has been provided.

In determining bedroom size, the Housing Authority of Lincoln County will include the presence of children to be born to a pregnant woman, children who are in the process of being adopted, children whose custody is being obtained, children currently under a 50% or more joint custody decree, children who are temporarily away at school, or children who are temporarily in foster care.

In addition, the following considerations may be taken in determining bedroom size:

- A. Children of the same sex will share a bedroom unless there is more than twelve (12) years difference in ages.
- B. Children of the opposite sex will not be required to share a bedroom.
- C. Adults and children will not be required to share a bedroom.
- D. Unrelated adults will not be required to share a bedroom unless they are a couple.
- E. Foster adults and/or foster children will not be required to share a bedroom with family members.
- F. Live-in aides will get a separate bedroom.

Exceptions to normal bedroom size standards include the following:

- A. Units smaller than assigned through the above guidelines. A family may request a smaller unit size than the guidelines allow. The Housing Authority of Lincoln County will allow the smaller size unit so long as generally no more than two (2) people per bedroom are assigned. In such situations, the family will sign a certification stating they understand they will be ineligible for a larger size unit for three (3) years or until the family size changes, whichever may occur first.
- B. Units larger than assigned through the above guidelines. A family may request a larger unit size than the guidelines allow. The Housing Authority of Lincoln County will only allow the larger size unit if the family provides a verified medical or disability related need qualifying under the Reasonable Accommodation Policy, that the family be housed in a larger unit.
- C. If there are no families on the waiting list for a larger size, smaller families may be housed if they sign a release form stating they will transfer (at the family's own expense) to the appropriate size unit when an eligible family needing the larger unit applies. The family transferring will be given a 30 calendar day notice before being required to move. The granting of the exception shall be at the discretion of HALC.
- D. Larger units may be offered in order to improve the marketing of a development suffering a high vacancy rate. The granting of the exception shall be at the discretion of HALC.
- E. In no event will a single person regardless of their status as an elderly person or a displaced person, or a person with disabilities be provided with a unit that is larger than one-bedroom except in the case of a documented live-in aide.

10.3 SELECTION FROM THE WAITING LIST

The Housing Authority of Lincoln County shall follow the statutory requirement that at least 40% of newly admitted families in any fiscal year be families whose annual income is the higher of either 30% of the Area Median Income or the Federal poverty level (defined at <http://www.huduser.org/portal/datasets/il/ill4/index.html> as extremely low-income). To ensure this requirement is met we shall quarterly monitor the incomes of newly admitted families and the incomes of the families on the waiting list. If it appears that the requirement to house extremely low-income families will not be met, we will skip higher income families on the waiting list to reach extremely low-income families.

If there are not enough extremely low-income families on the waiting list we will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

Accessible Units: Accessible units will be first offered to participants in need of the accessible features of the available accessible unit and secondly to a qualified applicant needing the accessible unit on HALC's waiting list.

The units will be offered to applicants in the order that their names come to the top of the waiting list. Such applicants, however, must sign a release form stating they will accept a transfer (at their own expense) it, at a future time, a family requiring an accessible feature applies and qualifies for admission. Any family required to transfer will be given a 30-day notice.

10.4 DECONCENTRATION POLICY

It is the Housing Authority of Lincoln County's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The Housing Authority of Lincoln County will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments and the income levels of the families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement.

10.5 DECONCENTRATION INCENTIVES

The Housing Authority of Lincoln County may offer one or more incentives to encourage applicant families whose income classification would help to meet the deconcentration goals of a particular development.

Various incentives may be used at different times, or under different conditions, but will always be provided in a consistent and nondiscriminatory manner.

10.6 OFFER OF A UNIT

When the Housing Authority of Lincoln County discovers that a unit will become available, we will contact the first family on the waiting list who has the highest priority

for this type of unit or development and whose income category would help to meet the deconcentration goal and/or the income targeting goal.

The Housing Authority of Lincoln County will contact the family first by telephone to make the unit offer. The family will have two (2) days to accept or reject the unit. If the family cannot be reached by telephone, the family will be notified of a unit offer via first class mail. The family will be given five (5) business days from the date the letter was mailed to contact the Housing Authority of Lincoln County regarding the offer.

The family will have two (2) business days to review the offer and accept or reject the unit. This verbal offer and the family's decision must be documented in the tenant file. If the family rejects the offer of the unit, the Housing Authority of Lincoln County will send the family a letter documenting the offer and the rejection.

10.7 REJECTION OF UNIT

If in making the offer to the family the Housing Authority of Lincoln County skipped over other families on the waiting list in order to meet their deconcentration goal or offered the family any other deconcentration incentive and the family rejects the unit, the family will not lose their place on the waiting list and will not be otherwise penalized.

If the Housing Authority of Lincoln County did not skip over other families on the waiting list to reach this family, did not offer any other deconcentration incentive, and the family rejects the unit without good cause, the family will maintain their position on the waiting list. The applicant will be offered the next suitable vacancy that becomes available in and LRP project as a second offer of housing.

If the applicant rejects the second offered unit, they will once again maintain their position on the waiting list. The applicant will be offered the next suitable vacancy that becomes available in any LRP project as a third offer of housing.

If the applicant rejects the third offered unit, they will be moved to the bottom of the waiting list. The application will be assigned a new number along with a new date and time according to the date the applicant turned down the third offer.

When the applicant reaches the top of the waiting list once again, their application information will be updated (if it has been more than 60 days since the initial verification of eligibility) and they will be offered a fourth unit of appropriate size that becomes available in any LRP project. If they turn down the fourth unit offered, they will be removed from the waiting list and will need to re-apply.

If the family rejects with good cause any unit offered, they will not lose their place on the waiting list. Good cause includes, among other things, reasons related to health,

proximity to work, school, and childcare (for those working or going to school). The family will be offered the right to an informal review of the decision to alter their application status.

HALC will maintain a record of the vacancies offered, date and circumstance of each offer and each rejection or acceptance.

10.8 ACCEPTANCE OF UNIT

Prior to signing the lease, all families (head of household) and other adult family members will be required to attend the Lease and Occupancy Orientation prior to signing the lease. The family will not be housed if they have not attended the briefing. Applicants who provide prior notice of an inability to attend the briefing will be rescheduled. Failure of an applicant to attend the orientation, without good cause, may result in the cancellation of the occupancy process. The briefing shall include the resident's rights and responsibilities under the Violence Against Women Act.

The applicant will be provided a copy of the lease, the grievance procedure, utility allowances, utility charges, the current schedule of routine maintenance charges, and a request for reasonable accommodation form. These documents will be explained in detail. The applicant will sign a certification that they have received these documents and that they have reviewed them with Housing Authority personnel. The certification will be filed in the tenant's file.

The signing of the lease and the review of financial information are to be privately handled. The head of household and all adult family members will be required to execute the lease prior to admission. One executed copy of the lease will be furnished to the head of household and the Housing Authority of Lincoln County will retain the original executed lease in the tenant's file. A copy of the grievance procedure will be attached to the resident's copy of the lease.

Once housed, a family may not request additions to the household for a period of one (1) year except by natural birth, legal adoption or marriage.

The family will pay a security deposit at the time of lease signing. The security deposit will be a reasonable set amount established by HALC. Security Deposits will be paid in full no later than at the time of lease-up.

In exceptional situations, the Housing Authority of Lincoln County reserves the right to allow a new resident to pay their security deposit in up to three (3) payments. One third shall be paid in advance, one third with their second rent payment, and one third with their third rent payment. This shall be at the sole discretion of the Housing Authority.

In exceptional situations, such as where a social service agency has agreed to pay the security deposit on behalf of a client, the Housing Authority of Lincoln County reserves the right, as the sole discretion of the Housing Authority, to allow an applicant to move-in prior to receipt of the security deposit by the social service agency.

In the case of a move within public housing, the security deposit for the first unit will be transferred to the second unit. Additionally, if the security deposit for the second unit is greater than that for the first, the difference will be collected from the family. Conversely, if the security deposit is less, the difference will be refunded to the family.

In the event there are costs attributable to the family for bringing the first unit into condition for re-renting, the family shall be billed for these charges.

11.0 INCOME, EXCLUSIONS, AND DEDUCTIONS FROM INCOME

To determine annual income, the Housing Authority of Lincoln County adds the income of all family members, excluding the types and sources of income that are specifically excluded. Once the annual income is determined, the Housing Authority of Lincoln County subtracts all allowable deductions (allowances) to determine the Total Tenant Payment.

RELEASE OF INFORMATION – At the application stage and at annual reexams, families will be asked to sign a HALC authorization forms, as well as Form HUD-9886.

Family refusal to cooperate with the HUD prescribed verification system will result in the termination of the household's application and will result in ineligibility status or terminations of the lease.

Where allowed by HUD and/or other State or local agencies, computer matching will be done utilizing form HUD-9886 for release of information.

11.1 INCOME

Annual income means all amounts, monetary or not, that:

- A. Go to (or on behalf of) the family head or spouse (even if temporarily absent) or to any other family member; or
- B. Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and

- C. Are not specifically excluded from annual income.

If it is not feasible to anticipate a level of income over a 12-month period (e.g. seasonal or cyclic income), or the Housing Authority of Lincoln County believes that past income is the best available indicator of expected future income, the Housing Authority of Lincoln County may annualize the income anticipated for a shorter period, subject to a redetermination at the end of the shorter period.

Annual income includes, but is not limited to, the amounts specified in the federal regulations currently found in 24 CFR 5.609:

- A. The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services.
- B. The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession is included in income, except to the extent the withdrawal is a reimbursement of cash or assets invested in the operation by the family.
- C. Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from an investment is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income includes the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD. Income that could have been derived from assets worth more than \$1000 that were disposed of for less than fair market value within the past two years will be counted as income.
- D. The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount. (However, deferred periodic amounts from supplemental security income and

Social Security benefits that are received in a lump sum amount or in prospective monthly amounts are excluded.)

E. Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation, and severance pay. (However, lump sum additions such as insurance payments from worker's compensation are excluded.)

F. Welfare assistance

1. Welfare assistance payments

a. Welfare assistance payments made under the Temporary Assistance for Needy Families (TANF) program are included in annual income only to the extent such payments:

- i. Qualify as assistance under the TANF program definition at 45 CFR 260.31; and
- ii. Are not otherwise excluded under paragraph Section 11.2 of this Policy.

b. If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income consists of:

- i. The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus
- ii. The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this requirement is the amount resulting from one application of the percentage.

2. Imputed welfare income

a. A family's annual income includes the amount of imputed welfare income (because of specified welfare benefits reductions resulting from either welfare fraud or the failure to comply with economic self-sufficiency requirements, as specified in notice to the Housing

Authority of Lincoln County by the welfare agency) plus the total amount of other annual income.

- b. At the request of the Housing Authority of Lincoln County, the welfare agency will inform the Housing Authority of Lincoln County in writing of the amount and term of any specified welfare benefit reduction for a family member, and the reason for such reduction, and will also inform the Housing Authority of Lincoln County of any subsequent changes in the term or amount of such specified welfare benefit reduction. The Housing Authority of Lincoln County will use this information to determine the amount of imputed welfare income for a family.
- c. A family's annual income includes imputed welfare income in family annual income, as determined at an interim or regular reexamination of family income and composition during the term of the welfare benefits reduction (as specified in information provided to the Housing Authority of Lincoln County by the welfare agency).
- d. The amount of the imputed welfare income is offset by the amount of additional income a family receives that commences after the time the sanction was imposed. When such additional income from other sources is at least equal to the imputed welfare income, the imputed welfare income is reduced to zero.
- e. The Housing Authority of Lincoln County will not include imputed welfare income in annual income if the family was not an assisted resident at the time of the sanction.
- f. If a resident is not satisfied that the Housing Authority of Lincoln County has calculated the amount of imputed welfare income in accordance with HUD requirements, and if the Housing Authority of Lincoln County denies the family's request to modify such amount, then the Housing Authority of Lincoln County shall give the resident written notice of such denial, with a brief explanation of the basis for the Housing Authority of Lincoln County's determination of the amount of imputed welfare income. The Housing Authority of Lincoln County's notice shall also state that if the resident does not agree with the determination, the resident may grieve the decision in accordance with our grievance policy. The resident is not required to pay an escrow deposit for the portion of the resident's rent attributable to the imputed welfare

income in order to obtain a grievance hearing.

3. Relations with welfare agencies

- a. The Housing Authority of Lincoln County will ask welfare agencies to inform it of any specified welfare benefits reduction for a family member, the reason for such reduction, the term of any such reduction, and any subsequent welfare agency determination affecting the amount or term of a specified welfare benefits reduction. If the welfare agency determines a specified welfare benefits reduction for a family member, and gives the Housing Authority of Lincoln County written notice of such reduction, the family's annual incomes shall include the imputed welfare income because of the specified welfare benefits reduction.
- b. The Housing Authority of Lincoln County is responsible for determining the amount of imputed welfare income that is included in the family's annual income as a result of a specified welfare benefits reduction as determined by the welfare agency and specified in the notice by the welfare agency to the housing authority. However, the Housing Authority of Lincoln County is not responsible for determining whether a reduction of welfare benefits by the welfare agency was correctly determined by the welfare agency in accordance with welfare program requirements and procedures, nor for providing the opportunity for review or hearing on such welfare agency determinations.
- c. Such welfare agency determinations are the responsibility of the welfare agency, and the family may seek appeal of such determinations through the welfare agency's normal due process procedures. The Housing Authority of Lincoln County shall rely on the welfare agency notice to the Housing Authority of Lincoln County of the welfare agency's determination of a specified welfare benefits reduction.

- G. Periodic and determinable allowances, such as alimony, child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling.

If the child support is not received on a regular basis, HALC will utilize the amount of child support in the divorce decree or separation agreement unless HALC verifies that the income is not provided.

In order to utilize any other amount other than the amount in the award, HALC must obtain a certification from the applicant/participant as to how much is being received on an annual basis, plus they must have documentation in the file that the family has filed with the agency responsible for enforcing the payments.

When a printout is received from the State Support Enforcement office for the prior twelve (12) months, HALC will use the amount received over the last twelve (12) months if no projection of anticipated income can be made.

- H. All regular pay, special pay, and allowances of a member of the Armed Forces. (Special pay to a member exposed to hostile fire is excluded.)

11.2 ANNUAL INCOME

- A. Income from employment of children (including foster children) under the age of 18 years;

- H. The amounts received from the following programs:

4. Amounts received under a resident service stipend. A resident service stipend is a modest amount (not to exceed \$200 per month) received by a resident for performing a service for the Housing Authority or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, resident initiatives coordination, and serving as a member of the Housing Authority of Lincoln County governing board. No resident may receive more than one such stipend during the same period of time;
5. Incremental earnings and benefits resulting to any family member from participation in qualifying State or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. 9. Adoption assistance payments in excess of \$480 per adopted child;
10. The incremental earnings due to employment during a cumulative 12-month period following date of the initial hire shall be excluded. This exclusion (paragraph 11) will not apply for any family who concurrently is eligible for exclusion #10. Additionally, this exclusion is only available to the following families:
 - a. Families whose income increases as a result of employment of a family member who was previously unemployed for one or more years.
 - b. Families whose income increases during the participation of a family member in any economic self-sufficiency or other job training program.
 - c. Families who are or were, within 6 months, assisted under a State TANF or Welfare-to-Work program.

This is often referred to as the Earned Income Disregard

During the second cumulative 12-month period after the date of initial hire, 50% of the increased income shall be excluded from income.

The disallowance of increased income of an individual family member is limited to a lifetime 48-month period. It only applies for 12 months of the 100% exclusion and 12 months of the 50% exclusion. This is true if it is implemented prior to April 7, 2016. After that date, the lifetime Disregard will end 24 months after it began.

(While HUD regulations allow for the housing authority to offer an escrow account in lieu of having a portion of their income excluded under this paragraph, it is the policy of this housing authority to provide the exclusion in all cases.)

11.6 COOPERATING WITH LAW ENFORCEMENT AGENCIES

The Housing Authority of Lincoln County will comply, on a case-by-case basis, with information requests from Federal, State or local law enforcement officers regarding possible fugitive felons and/or a parole or probation violators. The Housing Authority of Lincoln County will supply upon legitimate request (1) the current address, (2) Social Security number and (3) photograph (if available) of any recipient of assistance.

The Federal, State or local enforcement officer must submit a request that is (1) written, (2) on law enforcement agency letterhead, and (3) is signed by the requesting officer and his or her immediate supervisor. The request for information must provide the name of the fugitive felon and/or parole or probation violator being sought, and may include other personal information used for identification. The request should also comply with the following requirements:

12.0 VERIFICATION

The Housing Authority of Lincoln County will verify information related to waiting list preferences, eligibility, admission, and level of benefits prior to admission. Periodically during occupancy, items related to eligibility and rent determination shall also be reviewed and verified. Income, assets, and expenses will be verified, as well as disability status, need for a live-in aide and other reasonable accommodations; full-time student status of family members 18 years of age and older; Social Security numbers; and citizenship/eligible non-citizen status. Age and relationship will only be verified in those instances where needed to make a determination of level of assistance.

For a family with net assets equal to or less than \$5,000, the Housing Authority of Lincoln County will accept, for purposes of recertification of income, a family's written declaration that it has net assets equal to or less than \$5,000, without taking additional steps to verify the accuracy of the declaration. The declaration must state the amount of income the family expects to receive from such assets; this amount will be included in the family's income. The Housing Authority of Lincoln County will obtain third-party verification of all family assets every three (3) years.

12.1 Acceptable Methods of Verification

Age, relationship, U.S. citizenship, and Social Security numbers will generally be verified with documentation provided by the family. For citizenship, the family's certification will be accepted. (Or, for citizenship, documentation such as listed below will be required.) Verification of these items will include photocopies of the Social Security cards and other documents presented by the family, the INS SAVE approval code, and forms signed by the family.

Other information will be verified by the following verification methods acceptable to HUD, in the order of preference indicated:

1. Up-front Income Verifications (UIV)

UIV is the verification of income through an independent source that systematically maintains income information in computerized form for a large number of individuals.

Current UIV resources include the following:

- a. **a. Enterprise Income Verification (EIV)** - The EIV System is a web-based application, which provides PHAs with employment, wage, unemployment compensation and social security benefit information of tenants who participate in the Public Housing and various Section 8 programs under the jurisdiction of the Office of Public and Indian Housing (PIH). Information in EIV is derived from computer matching programs initiated by HUD with the Social Security Administration (SSA) and the U.S. Department of Health and Human Services (HHS), for all program participants with valid personal identifying information (name, date of birth (DOB), and social security number (SSN)) reported on the form HUD-50058. Use of the EIV system in its entirety is mandatory for all annual and interim re-examinations. The Housing Authority of Lincoln County will monitor the following EIV reports on a monthly basis - (1) Deceased Tenants Report, (2) Identity Verification Report, and the (3) Immigration Report. In addition, it will monitor on a quarterly basis the following EIV reports - (1) Income Discrepancy Report, Multiple Subsidy Report, and the New Hires Report. Whether or not an admission is homeless will be noted in the 50058.

- b. State Wage Information Collection Agencies (SWICAs)**
- c. State systems for the Temporary Assistance for Needy Families (TANF) program**
- d. Credit Bureau Information (CBA) credit reports**
- e. Internal Revenue Service (IRS) Letter 1722**
- f. Private sector databases (e.g. The Work Number)**

The Housing Authority of Lincoln County will use additional UIV resources as they become available. This will be done before, during and/or after examinations and/or re-examinations of household income as appropriate.

It is important to note that UIV data will only be used to verify a participant's eligibility for participation in a rental assistance program and to determine the level of assistance the participant is entitled to receive and only by properly trained persons whose duties require access to this information. Any other use, unless approved by the HUD Headquarters UIV Security System Administrator, is specifically prohibited and will not occur.

No adverse action can be taken against a participant until the Housing Authority of Lincoln County has independently verified the UIV information and the participant has been granted an opportunity to contest any adverse findings through the established grievance procedure. The consequences of adverse findings may include the Housing Authority of Lincoln County requiring the immediate payment of any over-subsidy, the entering into a repayment agreement, eviction, criminal prosecution, or any other appropriate remedy.

Furthermore, the information the Housing Authority of Lincoln County derives from the UIV system will be protected to ensure that it is utilized solely for official purposes and not disclosed in any way that would violate the privacy of the affected individuals.

The EIV Income Report must remain in the tenant file for the duration of tenancy and no longer than three years from the end of participation (EOP) date. The Housing Authority of Lincoln County is required to maintain at a minimum, the last three years of the form HUD-50058, and supporting documentation for all annual and interim reexaminations of family income. All records are to be maintained for a period of at least three years from the effective date of the action.

Once the data has served its purpose, it shall be destroyed by either burning or shredding the data.

2. Third-Party Written Verifications

An original or authentic document generated by a third-party source dated either within the 60-day period preceding the reexamination or the Housing Authority of Lincoln County request date. Such documentation may be in the possession of the tenant (or applicant), and is commonly referred to as tenant-provided documents. It is HUD's position that such tenant-provided documents are written third-party verification since these documents originated from a third-party source. The Housing Authority of Lincoln County may, at its discretion, reject any tenant-provided documents and follow up directly with the source to obtain necessary verification of information.

Examples of acceptable tenant-provided documentation (generated by a third-party source) include, but are not limited to: pay stubs, payroll summary report, employer notice/letter of hire/termination, SSA benefit verification letter, bank statements, child support payment stubs, welfare benefit letters and/or printouts, and unemployment monetary benefit notices. Current acceptable tenant-provided documents will be used for income and rent determinations.

The Housing Authority of Lincoln County will obtain two current and consecutive pay stubs for determining annual income from wages. For new income sources or when two pay stubs are not available, the Housing Authority of Lincoln County will project income based on the information from a traditional written third-party verification form or the best available information.

Note: Documents older than 60 days (from the Housing Authority of Lincoln County interview/determination or request date) is acceptable for confirming effective dates of income.

Third-party written verifications may also be used to supplement Up-front Income Verifications. They will be utilized when there is a discrepancy of \$200 a month or more and the participant disputes the UIV results.

Note: Social Security benefit information in EIV is updated every three months. If the tenant agrees with the EIV-reported benefit information, PHAs do not need to obtain or request a benefit verification letter from the tenant.

3. Written Third-Party Verification Form

Also known as traditional third-party verification, a standardized form to collect information from a third-party source is distributed by the Housing Authority of Lincoln County. The form is completed by the third-party by hand (in writing or typeset) when sent the form by the Housing Authority of Lincoln County.

HUD recognizes that third-party verification request forms sent to third-party sources often are not returned. In other instances, the person who completes the verification form may provide incomplete information; or some tenants may collude with the third-party source to provide false information; or the tenant intercepts the form and provides false information.

HUD requires the Housing Authority of Lincoln County to rely on documents that originate from a third-party source's computerized system and/or database, as this process reduces the likelihood of incorrect or falsified information being provided on the third-party verification request form. The use of acceptable tenant-provided documents, which originate from a third-party source, will improve the integrity of information used to determine a family's income and rent and ultimately reduce improper subsidy payments. This verification process will also streamline the income verification process.

The Housing Authority of Lincoln County will allow XXX (XX) calendar days for the return of third-party written verifications prior to continuing on to the next type of verification.

4. Third-Party Oral Verifications

This type of verification includes direct contact with the source, in person or by telephone. When this method is used, staff members will be required to document in writing with whom they spoke, the date of the conversation, the telephone number, and the facts obtained.

The Housing Authority of Lincoln County will allow five (5) calendar days for the return of third-party oral verifications prior to continuing on to the next type of verification.

5. Review of Documents

When UIV, written and oral third-party verifications are not available within the three (3) week and five (5) business days calendar day period allowed in paragraphs 3 and 4 above, the Housing Authority will use the information received by the family, provided that the documents provide complete information. Photocopies of the documents, excluding government checks, provided by the family will be maintained in the file. In cases in which

documents are viewed and cannot be photocopied, staff reviewing the documents will complete a written statement as to the contents of the document(s).

6. Self-Certification and Self-Declaration

When UIV, written and oral third-party verifications are not available within the three (3) week and five (5) business days calendar days period allowed in paragraphs 3 and 4 above, and hand-carried verification cannot be obtained, the Housing Authority will accept a statement detailing information needed, signed by the head, spouse, co-head, or other adult family member.

Verification forms and reports received will be contained in the applicant/tenant file. Oral third-party documentation will include the same information as if the documentation had been written, i.e. name, date of contact, amount received, etc.

When any verification method other than Up-front Income Verification is utilized, the Housing Authority of Lincoln County will document the reason for the choice of the verification methodology in the applicant/resident's file.

The following chart comes from PIH Notice 2010-19.

Level	Verification Technique	Ranking

5	Up-front Income Verification (UIV) using non-HUD system	Highest (Optional)
4	Written Third-Party Verification	High (Mandatory to supplement EIV-reported income sources and when EIV has no data; Mandatory for non-EIV reported income sources; Mandatory when tenant disputes EIV-reported employment and income information and is unable to provide acceptable documentation to support dispute)
3	Written Third-Party Verification Form	Medium-Low (Mandatory if written third-party verification documents are not available or rejected by the PHA; and when the applicant or tenant is unable to provide acceptable documentation)
2	Oral Third-Party Verification	Low (Mandatory if written third-party

		verification is not available)

documentation. The Housing Authority of Lincoln County will make a copy of the individual's INS documentation and place the copy in the file. The Housing Authority of Lincoln County will also verify their status through the INS SAVE system. If the INS SAVE system cannot confirm eligibility, the Housing Authority of Lincoln County will mail information to the INS in order that a manual check can be made of INS records.

Family members who do not claim to be citizens, nationals, or eligible non-citizens must be listed on a statement of non-eligible members and the list must be signed by the head of the household.

Non-citizen students on student visas, though in the country legally, are not eligible to be admitted to public housing. If they are members of families that include citizens, the rent must be pro-rated.

Any family member who does not choose to declare their status must be listed on the statement of non-eligible members.

If no family member is determined to be eligible under this section, the family's eligibility will be denied.

The family's assistance will not be denied, delayed, reduced, or terminated because of a delay in the process of determining eligible status under this section, except to the extent that the delay is caused by the family.

If the Housing Authority of Lincoln County determines that a family member has knowingly permitted an ineligible non-citizen (other than any ineligible non-citizens listed on the lease) to permanently reside in their public housing unit, the family will be evicted. Such family will not be eligible to be readmitted to public housing for a period of 24 months from the date of eviction or termination.

12.4 VERIFICATION OF SOCIAL SECURITY NUMBERS

Prior to admission, every family member regardless of age must provide the Housing Authority of Lincoln County with a complete and accurate Social Security Number unless they do not contend eligible immigration status. New family members must provide this verification prior to being added to the lease. If the new family member is under the age of six and has not been assigned a Social Security Number, the family shall have ninety (90) calendar days after starting to receive the assistance to provide a complete and accurate Social Security Number. The Housing Authority may grant one ninety (90) day extension for newly-added family members under the age of six if in its sole discretion it determines that the person's failure to comply was due to circumstances that could not have reasonably been foreseen and was outside the control of the person.

If a person is already a program participant and has not disclosed his or her Social Security Number, it must be disclosed at the next re-examination or re-certification. Participants aged 62 or older as of January 31, 2010 whose initial eligibility determination was begun before January 31, 2010 are exempt from the required disclosure of their Social Security Number. This exemption continues even if the individual moves to a new assisted unit.

If an individual states that they do not have a Social Security number, they will be required to sign a statement to this effect. The Housing Authority of Lincoln County will not require any individual who does not have a Social Security number to obtain a Social Security number.

12.5 VERIFICATION OF RESIDENCY PREFERENCE

The following is a list of acceptable documentation to establish eligibility for the Residency Preference.

Driver's license and/or Oregon photo ID with address in Lincoln County
Lease, rental agreement, rent receipts, utility bill for water, gas, electricity or landline telephone service issued within the last sixty (60) days at an address in Lincoln County

A document showing receipt of public assistance from an agency of Lincoln County dated within the last sixty (60) days.

Affidavits of residence during the last sixty (60) from any state corrections, parole, or probation agency, or youth corrections agency

12.6 TIMING OF VERIFICATION

Verification information must be dated within ninety (90) calendar days of certification or reexamination. If the verification is older than this, the source will be contacted and asked to provide information regarding any changes.

When an interim reexamination is conducted, the Housing Authority will verify and update all information related to family circumstances and level of assistance. (Or, the Housing Authority will only verify and update those elements reported to have changed.)

12.7 FREQUENCY OF OBTAINING VERIFICATION

Household composition will be verified annually. The frequency that household income will be verified depends on the type of rent method chosen by the family.

For each family member, citizenship/eligible non-citizen status will be verified only once unless the family member is an eligible immigrant in a transitional stage of admission. In this situation, their status must be updated until they are admitted for permanent residency. This verification will be obtained prior to admission. If the status of any family member was not determined prior to admission, verification of their status will be obtained at the next regular reexamination. Prior to a new member joining the family, their citizenship/eligible non-citizen status will be verified.

For each family member, verification of Social Security number will be obtained only once. This verification will be accomplished prior to admission. When a family member who did not have a Social Security number at admission receives a Social Security number, that number will be verified at the next regular reexamination.

12.8 SPECIAL VERIFICATION FOR ADULT STUDENTS

In addition to other verification procedures, student head of households must provide a written signed certification that the student does or does not receive any financial support from his or her parents or guardians and whether or not the student is receiving an athletic scholarship. If support is received, the certification must state the amount of the

anticipated support. The Housing Authority of Lincoln County shall verify using normal third party verification procedures that amount by communicating directly with the supporting person(s). If an athletic scholarship is involved, the Housing Authority of Lincoln County shall determine if any of the scholarship is available for housing costs.

12.9 Discrepancies in Verified Information

An EIV Income Report shall be pulled from the system before annual or interim reexamination are conducted for any family and compared with family-reported information. If the EIV report reveals an income source that was not reported by the tenant or a substantial difference (defined as \$2400 or more annually) in the reported income information, the Housing Authority of Lincoln County will:

- A. Discuss the income discrepancy with the tenant; and
- B. Request the tenant to provide any documentation to confirm or dispute the unreported or underreported income and/ or income sources; and
- C. In the event the tenant is unable to provide acceptable documentation to resolve the income discrepancy, the Housing Authority of Lincoln County will request from the third-party source, any information necessary to resolve the income discrepancy; and
- D. If applicable, determine the tenant's underpayment of rent as a result of unreported or underreported income, retroactively*; and
- E. Take any other appropriate action.

*The Housing Authority of Lincoln County will determine the retroactive rent as far back as the existence of complete file documentation (form HUD-50058 and supporting documentation) to support such retroactive rent determinations.

The tenant will be provided an opportunity to contest the Housing Authority of Lincoln County's determination of tenant rent underpayment. Tenants will be promptly notified in writing of any adverse findings made on the basis of the information verified through the aforementioned income discrepancy resolution process. The tenant may contest the findings in accordance with established grievance procedures. The Housing Authority of Lincoln County will not terminate, deny, suspend, or reduce the family's assistance until the expiration of any notice or grievance period.

When there is an unsubstantial or no disparity between tenant-reported and EIV-reported income information, the Housing Authority of Lincoln County will obtain from the tenant, any necessary documentation to complete the income determination process. As

noted previously, the Housing Authority of Lincoln County may reject any tenant-provided documentation, if the Authority deems the documentation unacceptable. Documentation provided by the tenant will only be rejected for only the following reasons:

- A. The document is not an original; or
- B. The original document has been altered, mutilated, or is not legible; or
- C. The document appears to be a forged document (i.e. does not appear to be authentic).

The Housing Authority of Lincoln County will explain to the tenant, the reason(s) the submitted documents are not acceptable and request the tenant to provide additional documentation. If at any time, the tenant is unable to provide acceptable documentation that the Housing Authority of Lincoln County deems necessary to complete the income determination process, the Authority will submit a traditional third-party verification form to the third-party source for completion and submission to the Housing Authority of Lincoln County.

If the third-party source does not respond to the Housing Authority of Lincoln County's request for information, the Authority is required to document the tenant file of its attempt to obtain third-party verification and that no response to the third-party verification request was received.

The Housing Authority of Lincoln County will then pursue lower level verifications in accordance with the verification hierarchy.

12.10 TEMPORARY COMPLIANCE ASSISTANCE

In PIH Notice 2013-03, HUD granted the Housing Authority of Lincoln County some temporary, needed administrative burden relief. The Housing Authority of Lincoln County is hereby adopting the allowable relief activities.

- A. The Housing Authority of Lincoln County will calculate a resident's rent based on his or her actual income over the past twelve months instead of trying to project the income for the next twelve months. The Housing Authority of Lincoln County will use the most recent twelve-month period available in EIV for re-certifications. Since the data in EIV has already been verified by a third party, the Housing Authority of Lincoln County will not re-verify EIV data.

If there has been a change in circumstances for a resident, if EIV is not current enough, or the resident disputes the EIV-reported income and is unable to provide

acceptable documentation to resolve the dispute, the Housing Authority of Lincoln County will request written third-party verification and go by the regular verification process.

The Housing Authority of Lincoln County will continue to verify income as normal from sources not available in EIV using the same period of time as used for the EIV-supplied data.

- B. If a resident has assets valued at \$5000 or less, the resident can self-certify to the amount of their assets and the income these assets are anticipated to generate. The Housing Authority of Lincoln County will not verify this data, but merely include it in the income calculation. The application and reexamination documentation can serve as this declaration as long as it is signed by all adult family members. If the assets total more than \$5000, verifications will be made as usual.

13.0 DETERMINATION OF TOTAL TENANT PAYMENT AND TENANT RENT

13.1 FAMILY CHOICE

At admission and each year in preparation for their annual reexamination, each family is given the choice of having their rent determined under the income method or having their rent set at the flat rent amount.

- A. Families who opt for the flat rent will be required to go through the income reexamination process every three years, rather than the annual review they would otherwise undergo. Their family composition must still be reviewed annually.
- B. Families who opt for the flat rent may request to have a reexamination and return to the income based method at any time for any of the following reasons:
 - 1. The family's income has decreased.
 - 2. The family's circumstances have changed increasing their expenses for childcare, medical care, etc.
 - 3. Other circumstances creating a hardship on the family such that the income method would be more financially feasible for the family.
- C. Families have only one choice per year except for financial hardship cases. In order for families to make informed choices about their rent options, HALC will

provide them with the following information whenever they have to make rent decisions:

1. The Housing Authority of Lincoln County's policies on switching types of rent in case of a financial hardship; and
2. The dollar amount of tenant rent for the family under each option. If the family chose a flat rent for the previous year, the Housing Authority of Lincoln County will provide the amount of income-based rent for the subsequent year only the year the Housing Authority of Lincoln County conducts an income reexamination or if the family specifically requests it and submits updated income information.

13.2 THE INCOME METHOD

The total tenant payment is equal to the highest of:

- A. 10% of the family's monthly income;
- B. 30% of the family's adjusted monthly income; or
- C. If the family is receiving payments for welfare assistance from a public agency and a part of those payments, adjusted in accordance with the family's actual housing costs, is specifically designated by such agency to meet the family's housing costs, the portion of those payments which is so designated. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this provision is the amount resulting from one application of the percentage; or
- D. The minimum rent of \$25.

13.3 MINIMUM RENT

The Housing Authority of Lincoln County has set the minimum rent at \$25. If the family requests a hardship exemption, however, the Housing Authority of Lincoln County will suspend the minimum rent beginning the month following the family's request until the Housing Authority can determine whether the hardship exists and whether the hardship is of a temporary or long-term nature.

- A. A hardship exists in the following circumstances:
 1. When the family has lost eligibility for or is waiting an eligibility determination for a Federal, State, or local assistance program, including a

family that includes a member who is a non-citizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for title IV of the Personal Responsibility and Work Opportunity Act of 1996;

2. When the family would be evicted because it is unable to pay the minimum rent;
 3. When the income of the family has decreased because of changed circumstances, including loss of employment; and
 4. When a death has occurred in the family.
- B. No hardship. If the Housing Authority determines there is no qualifying hardship, the minimum rent will be reinstated, including requiring back payment of minimum rent for the time of suspension.
- C. Temporary hardship. If the Housing Authority reasonably determines that there is a qualifying hardship but that it is of a temporary nature, the minimum rent will not be imposed for a period of 90 calendar days from the beginning of the suspension of the minimum rent. At the end of the 90-day period, the minimum rent will be imposed retroactively to the time of suspension. The Housing Authority will offer a repayment agreement in accordance with Section 19 of this policy for any rent not paid during the period of suspension. During the suspension period the Housing Authority will not evict the family for nonpayment of the amount of tenant rent owed for the suspension period.
- D. Long-term hardship. If the Housing Authority determines there is a long-term hardship, the family will be exempt from the minimum rent requirement until the hardship no longer exists.
- E. Appeals. The family may use the grievance procedure to appeal the Housing Authority's determination regarding the hardship. No escrow deposit will be required in order to access the grievance procedure.

13.4 THE FLAT RENT

The Housing Authority of Lincoln County has set a flat rent for each public housing unit. The flat rent is determined annually, based on the market rental value of the unit using one of the following three options:

- A. Option One: The Housing Authority of Lincoln County will establish a flat rent for each public housing unit that is no less than 80 percent of the applicable Fair Market Rent (FMR) as determined under 24 CFR part 888, subpart A;
- B. Option Two: No less than 80 percent of an applicable small area FMR (SAFMR) or unadjusted rent¹, if applicable, as determined by HUD, or any successor determination, that more accurately reflects local market conditions and is based on an applicable market area that is geographically smaller than the applicable market area used in the first paragraph of this section. If HUD has not determined an applicable SAFMR or unadjusted rent¹, the Housing Authority of Lincoln County will rely on the applicable FMR under the first option or may apply for an exception flat rent under the third option. No other smaller geographical FMRs will be allowed by HUD; (See footnote 1 for HUD's definition of "unadjusted rent" as relates to Flat Rent requirements);
- C. Option Three: The Housing Authority of Lincoln County may request, and HUD may approve, on a case-by-case basis, a flat rent that is lower than the amounts in Options One or Two of this section, subject to the following requirements:
 - 1. The Housing Authority of Lincoln County must submit a market analysis of the applicable market.
 - 2. The Housing Authority of Lincoln County must demonstrate, based on the market analysis, that the proposed flat rent is a reasonable rent in comparison to rent for other comparable unassisted units, based on the location, quality, size, unit type, and age of the public housing unit and any amenities, housing services, maintenance, and utilities to be provided by the PHA in accordance with the lease.
 - 3. All requests for exception flat rents under this option must be submitted to HUD.

The Housing Authority of Lincoln County will not implement Option Three prior to receiving HUD's written approval. A new market analysis and a new HUD written approval is required every year.

The option chosen to establish the required flat rent will be the sole decision of the Housing Authority of Lincoln County.

There is no utility allowance for families paying a flat rent because the Housing Authority of Lincoln County has already factored who pays for the utilities into the flat rent calculation. If the resident pays their own utilities, the calculated flat rent shall be

reduced by a reasonable utility allowance based on an energy-conservative household of modest circumstances.

Annually, no later than 90 days after issuance of new FMRs or SAFMRs by HUD, the Housing Authority of Lincoln County will compare the current flat rent amount to the applicable FMR and SAFMR/unadjusted rent¹. If the flat rent is at least 80 percent of the lower of the FMR or SAFMR/unadjusted rent, the Housing Authority of Lincoln County is in compliance with the law, and no further steps are necessary. If the flat rent is less than 80 percent of the lower of the FMR and SAFMR, the Housing Authority of Lincoln County will adjust the flat rents at no less than 80 percent of the lower of the FMR or SAFMR/unadjusted rent¹, subject to the utilities adjustment required for tenant-paid utilities, or the Housing Authority of Lincoln County may request an exception flat rent pursuant to Option Three, as described above. Revised flat rents will become effective for all families admitted after the flat rent is changed or at the lease renewal for an existing resident. (See footnote 1 for HUD's definition of "unadjusted rent" as relates to Flat Rent requirements).

As for flat rent phase-ins, previous regulations in PIH Notice 2014-12 and the subsequent FAQ's, HUD provided flexibility to PHAs to phase in all flat rent increases over a three-year period, including those increases that were 35 percent or less.

However, the FY 2015 Appropriations Act provides the Housing Authority of Lincoln County additional flexibility to establish flat rents at lower amounts, thereby eliminating the need for the three-year phase-in of flat rent increases that are 35 percent or less. **Therefore, the only flat rent increases that will be phased-in are those where a family's rent will increase by more than 35 percent.**

Agencies that began phase-ins for families with rent increases at 35 percent or less last year shall follow the actions outlined below at the family's next annual rent option:

- 1) On a case-by-case basis, at the family's next annual rent option, compare the updated flat rent amount applicable to the unit to the rent that was being paid by the family immediately prior to the annual rent option;

¹ The unadjusted rent is the FMR estimated directly from the American Community Survey (ACS) source data that HUD uses to calculate FMRs before HUD applies its state non-metropolitan minimum rent policy. HUD maintains a minimum FMR policy within Housing Choice Voucher program (HCV) in response to numerous public concerns that FMRs in rural areas were too low to operate the HCV program successfully. The policy establishes the FMRs at the higher of the local FMR or the State-wide average FMR of non-metropolitan counties, subject to a ceiling rent cap. The rationale for having a state minimum FMR is that some low-income, low-rent non-metropolitan counties have ACS-based FMR estimates that appear to be below long-term operating costs for standard quality rental units and raise concerns about housing quality. State minimum FMRs have been set at the respective state-wide population weighted median non-metropolitan rent level, but are not allowed to exceed the U.S. median non-metropolitan rent level.

- a. If the updated flat rent amount would not increase a family's rental payment by more than 35 percent, the family may choose to pay either the updated flat rent amount or the previously calculated income-based rent;
- b. If the agency determines that the updated flat rent amount would increase a household's rental payment by more than 35 percent, the family may choose to pay the phased-in flat rent amount resulting from the flat rent impact analysis or the previously calculated income-based rent.

Affected families will be given a 30-day notice of any rent change. Adjustments are applied at the end of the annual lease (for more information on flat rents, see Section 15.3).

The Housing Authority of Lincoln County will post the flat rents at each of the developments and at the central office. Flat rents are incorporated in this policy upon approval by the Board of Commissioners.

13.5 RENT FOR FAMILIES UNDER THE NONCITIZEN RULE

A mixed family will receive full continuation of assistance if all of the following conditions are met:

- A. The family was receiving assistance on June 19, 1995;
- B. The family was granted continuation of assistance before November 29, 1996;
- C. The family's head or spouse has eligible immigration status; and
- D. The family does not include any person who does not have eligible status other than the head of household, the spouse of the head of household, any parent of the head or spouse, or any child (under the age of 18) of the head or spouse.

The family's assistance is prorated in the following manner:

- A. Step 1. Determine the total tenant payment in accordance with 24 CFR §5.628. (Annual income includes income of all family members, including any family member who has not established eligible immigration status.)
- B. Step 2 – Family maximum rent is equal to the applicable flat rent for the unit size to be occupied by the family.

- C. Step 3. Subtract the total tenant payment from the family maximum rent. The result is the maximum subsidy for which the family could qualify if all members were eligible (“family maximum subsidy”).
- D. Step 4. Divide the family maximum subsidy by the number of persons in the family (all persons) to determine the maximum subsidy per each family member who has citizenship or eligible immigration status (“eligible family member”). The subsidy per eligible family member is the “member maximum subsidy.”
- E. Step 5. Multiply the member maximum subsidy by the number of family members who have citizenship or eligible immigration status (“eligible family members”). The product of this calculation is the “eligible subsidy.”
- F. Step 6. The mixed family TTP is the maximum rent minus the amount of the eligible subsidy
- G. Step 7. Subtract any applicable utility allowance from the mixed family TTP. The result of this calculation is the mixed family tenant rent.

When the mixed family’s TTP is greater than the maximum rent, the Housing Authority of Lincoln County will use the TTP as the mixed family TTP.

13.6 UTILITY ALLOWANCE

The Housing Authority of Lincoln County shall establish a utility allowance for all check-metered utilities and for all tenant-paid utilities. The allowance will be based on a reasonable consumption of utilities by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary, and healthful environment. In setting the allowance, the Housing Authority of Lincoln County will review the actual consumption of tenant families as well as changes made or anticipated due to modernization (weatherization efforts, installation of energy-efficient appliances, etc). Allowances will be evaluated at least annually as well as any time utility rate changes by 10% or more since the last revision to the allowances.

The utility allowance will be subtracted from the family's income-based rent to determine the amount of the Tenant Rent. The Tenant Rent is the amount the family owes each month to the Housing Authority of Lincoln County. The amount of the utility allowance is then still available to the family to pay the cost of their utilities. Any utility cost above the allowance is the responsibility of the tenant. Any savings resulting from utility costs below the amount of the allowance belongs to the tenant.

For Housing Authority of Lincoln County paid utilities, the Housing Authority of Lincoln County will monitor the utility consumption of each household. Any consumption in

excess of the allowance established by the Housing Authority of Lincoln County will be billed to the tenant monthly.

Utility allowance revisions based on rate changes shall be effective retroactively to the first day of the month following the month in which the last rate change took place. Revisions based on changes in consumption or other reasons shall become effective at each family's next annual reexamination.

Families with high utility costs are encouraged to contact the Housing Authority of Lincoln County for an energy analysis. The analysis may identify problems with the dwelling unit that once corrected will reduce energy costs. The analysis can also assist the family in identifying ways they can reduce their costs.

Requests for relief from surcharges for excess consumption of Housing Authority of Lincoln County purchased utilities or from payment of utility supplier billings in excess of the utility allowance for tenant-paid utility costs may be granted by the Housing Authority of Lincoln County on reasonable grounds. Requests shall be granted to families that include an elderly member or a member with disabilities. Requests by the family shall be submitted under the Reasonable Accommodation Policy. Families shall be advised of their right to individual relief at admission to public housing and at time of utility allowance changes.

13.7 PAYING RENT

Rent and other charges are due and payable on the first day of the month. All rents should be paid in person or by first class mail to Housing Authority of Lincoln County, 1039 N.W. Nye Street, Newport, OR 97365 Reasonable accommodations for this requirement will be made for persons with disabilities. As a safety measure, no cash shall be accepted as a rent payment.

If the rent is not paid by 11:59 P.M. on the seventh (7th) of the month, a 72 Hour Notice requesting payment will be issued to the tenant. In addition, a \$25 late charge will be assessed to the tenant. If rent is paid by a personal check and the check is returned for insufficient funds, this shall be considered a non-payment of rent and will incur the late charge plus an additional charge of \$10 for bank charges and/or processing costs.

The Housing Authority will not accept personal checks from tenants who have had a returned check showing insufficient funds. Only cash or Money Orders will be acceptable payments from those tenants.

13.8 PAYMENT AGREEMENT POLICY

HALC will not make payment agreements regarding rent.

At HALC's option, HALC may enter into a Payment Agreement for other charges due from a tenant, such as maintenance charges, only if an individual maintenance charge is over \$100.00

A Payment Agreement for "Other Charges – Maintenance Charges" will be considered only if:

- A. All previous agreements have been paid on time; and
- B. All previous agreements have been paid in full.

Agreed upon monthly payments will not exceed a 90 day period so that the entire amount will be paid in full at the end of 90 days.

Tenants not paying maintenance charges when they are due or not making payments on time as agreed may be subject to eviction.

14.0 COMMUNITY SERVICE AND SELF-SUFFICIENCY REQUIREMENT

14.1 GENERAL

In order to be eligible for continued occupancy, each adult family member must either (1) contribute eight hours per month of community service (not including political activities), or (2) participate in an economic self-sufficiency program, or (3) perform eight hours per month of combined activities as previously described unless they are exempt from this requirement. The eight hours of activity may be completed at 8 hours each month or aggregated across a year, as long as 96 hours are completed by each annual certification.

14.2 EXEMPTIONS

The following adult family members of tenant families are exempt from this requirement:

- A. Family members who are 62 or older.
- B. Family members who are:

14.3 NOTIFICATION OF THE REQUIREMENT

The Housing Authority of Lincoln County shall identify all adult family members who are apparently not exempt from the community service requirement.

The Housing Authority of Lincoln County shall notify all such family members of the community service requirement and of the categories of individuals who are exempt from the requirement. The notification will provide the opportunity for family members to claim and explain an exempt status in writing. The Housing Authority of Lincoln County shall verify such claims. If a resident does not agree with the Housing Authority of Lincoln County's determination, he or she can appeal by following the Grievance Policy. Changes in exempt or non-exempt status of a resident shall be reported by the resident to the Housing Authority of Lincoln County within ten (10) calendar days of the change.

At lease execution or re-examination, all adult members (18 or older) of a public housing resident family must:

- A. Provide all requested documentation, if applicable, that they qualify for an exemption; (Documentation provided by the tenant will be used (and verified if necessary) by the Housing Authority of Lincoln County to determine whether the tenant is exempt from the CSSR), and
- B. Sign a certification that they have received and read the policy and understand that, if they are not exempt, failure to comply with the community service requirement will result in non-renewal of their lease, per 24 CFR 966.4(l)(2)(iii)(D).

When a non-exempt person becomes exempt, it is his or her responsibility to report this to the Housing Authority of Lincoln County and provide documentation. When an

exempt person becomes non-exempt, it is his or her responsibility to report this to the Housing Authority of Lincoln County as soon as possible.

For families paying a flat rent, the obligation begins on the date their annual reexamination would have been effective had an annual reexamination taken place. It will also advise them that failure to comply with the community service requirement will result in ineligibility for continued occupancy at the time of any subsequent annual reexamination.

14.4 VOLUNTEER OPPORTUNITIES

Eligible community service activities include, but are not limited to, serving at:

- A. Local public or non-profit institutions, such as schools, Head Start Programs, before- or after-school programs, childcare centers, hospitals, clinics, hospices, nursing homes, recreation centers, senior centers, adult daycare programs, homeless shelters, feeding programs, food banks (distributing either donated or commodity foods), or clothes closets (distributing donated clothing);

- F. Care for the children of other residents so parents may volunteer.

In order to facilitate easier documentation of the community service provided, residents shall work exclusively for non-profits. Any required court-ordered community service or probation-based work shall not count towards a resident's required 8 hours per month of community service.

Eligible self-sufficiency activities include, but are not limited, to:

- A. Job readiness or job training while not employed;

Together with the resident advisory councils, the Housing Authority of Lincoln County may create volunteer positions such as hall monitoring, litter patrols, and supervising and record keeping for volunteers.

14.5 THE PROCESS

Upon admission and each annual reexamination thereafter, the Housing Authority of Lincoln County will do the following:

- A. Provide a list of known volunteer opportunities to the family members.
- B. Provide information about obtaining suitable volunteer positions.

- C. Provide a volunteer time sheet to the family member. Instructions for the time sheet require the individual to complete the form and have a supervisor date and sign for each period of work.
- D. Assign family members to a volunteer coordinator who will assist the family members in identifying appropriate volunteer positions and in meeting their responsibilities. The volunteer coordinator will track the family member's progress monthly and will meet with the family member as needed to best encourage compliance.

At each regularly scheduled rent re-examination, each non-exempt family member will present a signed certification on a form provided by the Housing Authority of Lincoln County of CSSR activities performed over the previous twelve (12) months. The Housing Authority of Lincoln County will obtain third-party verification of CSSR completion administered through outside organizations.

14.6 NOTIFICATION OF NON-COMPLIANCE WITH COMMUNITY SERVICE REQUIREMENT

The Housing Authority of Lincoln County will notify any family found to be in non-compliance of the following:

- A. The family member(s) has been determined to be in non-compliance;
- B. That the determination is subject to the grievance procedure, a right to be represented by counsel, and the opportunity to any available judicial remedy; and
- C. That, unless the family member(s) enter into a written workout agreement, the lease will not be renewed.

14.7 OPPORTUNITY FOR CURE

The Housing Authority of Lincoln County will offer the family member(s) the opportunity to enter into a work-out agreement prior to the anniversary of the lease. The agreement shall state that the family member(s) agrees to enter into an economic self-sufficiency program or agrees to contribute to community service for as many hours as needed to comply with the requirement over the past 12-month period. It will state the number of hours that the family member is deficient. The cure shall occur over the 12-month period beginning with the date of the agreement and the resident shall at the same time stay current with that year's community service requirement. The first hours a resident earns go toward the current commitment until the current year's commitment is made.

The volunteer coordinator will assist the family member in identifying volunteer opportunities and will track compliance on a monthly basis.

If any applicable family member does not accept the terms of the agreement, does not fulfill their obligation to participate in an economic self-sufficiency program, or falls behind in their obligation under the agreement to perform community service, the Housing Authority of Lincoln County shall take action to terminate the lease unless the non-compliant family member no longer lives in the unit.

14.8 PROHIBITION AGAINST REPLACEMENT OF AGENCY EMPLOYEES

In implementing the service requirement, the Housing Authority of Lincoln County may not substitute community service or self-sufficiency activities performed by residents for work ordinarily performed by its employees or replace a job at any location where residents perform activities to satisfy the service requirement.

15.0 RECERTIFICATIONS

At least annually, the Housing Authority of Lincoln County will conduct a reexamination of family income and circumstances. The results of the reexamination determine (1) the rent the family will pay, and (2) whether the family is housed in the correct unit size.

15.1 GENERAL

The Housing Authority of Lincoln County will send a notification letter to the family letting them know that it is time for their annual reexamination, giving them the option of selecting either the flat rent or income method, and informing them of the information necessary to complete their reexamination. If the family thinks they may want to switch from a flat rent to an income rent, they may request an appointment to discuss their decision. At the appointment, the family can make their final decision regarding which rent method they will choose. The letter also includes, for those families paying the income method, forms for the family to complete in preparation for the reexamination.

During the reexamination, the Housing Authority of Lincoln County will determine whether family composition may require a transfer to a different bedroom size unit, and if so, the family's name will be placed on the over/under housed list.

Also, during the recertification, each household shall be asked whether any member is subject to the lifetime registration requirement under a state registration program. A false answer to this question shall be grounds for eviction. Also, during the recertification, each household shall be asked whether any member is subject to the lifetime registration requirement under a state registration program. The Housing Authority will verify this information using the Dru Sjodin National Sex Offender Database and document this

information in the same method used at admission. For any admissions after June 25, 2001 (the effective date of the Screening and Eviction for Drug Abuse and Other Criminal Activity final rule), if the recertification screening reveals that the tenant or a member of the tenant's household is subject to a lifetime sex offender registration requirement, or that the tenant has falsified information or otherwise failed to disclose his or her criminal history on their application and/or recertification forms, the Housing Authority will pursue eviction of the household.

If a family is about to be evicted from housing based on either the criminal check or the sex offender registration program, the applicant will be informed of this fact and given an opportunity to dispute the accuracy of the information before the eviction occurs.

15.10 OVER-INCOME FAMILIES

Beginning March 24, 2019 the Housing Authority of Lincoln County shall track all public housing residents who have an **adjusted** income over 120% of the Area Median Income (AMI). This is defined by HUD as 2.4 times the HUD determined Very Low-Income limit for HALC's jurisdiction. The limit will be adjusted each year within 60 days after HUD published new income limits. When the Authority becomes aware, through an annual reexamination or an interim reexamination for an increase in income, that a family's adjusted income exceeds the applicable income limit, the Authority must, per HUD regulation, document in the family's tenant file that the family exceeds the threshold to compare with the family's income a year later.

If, one year after the initial determination by the HALC that a family's **adjusted** income exceeds the over-income limit, and the family's adjusted income continues to exceed the over-income limit, the Housing Authority must, as required by HUD regulation, provide written notification to the family that their income has exceeded the over-income limit for one year. The written notification shall further state that if the family's adjusted income continues to exceed the over-income limit for the next 12 consecutive months, the family will be subject to EITHER a higher rent (as determined on a HUD formula, which has not yet been provided by HUD) or termination. The Housing Authority of Lincoln County will determine which of these two (2) options to implement upon issuance of upcoming HUD publication(s).

The form HUD-50058 actions that would trigger the two-year grace period are: '2 = Annual Reexamination' and '3 = Interim Reexamination.'

All notices and communications will be provided in a manner appropriate for persons with hearing, visual or other disabilities.

If the Housing Authority of Lincoln County discovers through an annual or interim exam that the family's adjusted income falls below the over-income limit, the two-year period starts over again if the family exceeds the limit in the future.

The Housing Authority will follow the requirement to submit an annual report on the number of over-income families and the number of families on the public housing waiting lists when HUD makes the requirement effective through a separate PIH notice.

Exempted from this regulation are families with a valid Family Self-Sufficiency (FSS) contract, or families where at least one family member is receiving the Earned Income Disregard benefit.

15.2 MISSED APPOINTMENTS

If the family fails to respond to a scheduled meeting or provide the documentation requested in a letter, a second letter will be mailed. The second letter will advise of the information necessary to complete the reexamination. The letter will also advise that failure by the family to provide the requested information will result in the Housing Authority of Lincoln County taking eviction actions against the family.

15.3 FLAT RENTS

The annual letter to flat rent payers regarding the reexamination process will state the following:

- A. Each year at the time of the annual reexamination, the family has the option of selecting a flat rent amount in lieu of completing the reexamination process and having their rent based on the income amount.
- B. The amount of the flat rent.
- C. A fact sheet about income rents that explains the types of income counted, the most common types of income excluded, and the categories of allowances that can be deducted from income.
- D. Families who opt for the flat rent will be required to go through the income reexamination process every three years, rather than the annual review they otherwise would undergo.
- E. Families who opt for the flat rent may request to have a reexamination and return to the income based method at any time for any of the following reasons:
 - 1. The family's income has decreased.
 - 2. The family's circumstances have changed increasing their expenses for childcare, medical care, etc.

3. Other circumstances creating a hardship on the family such that the income method would be more financially feasible for the family.

Once a family returns to the income based method during their “lease year” they cannot go back to a flat rent until their next regular annual reexamination.

- F. The dates upon which the Housing Authority of Lincoln County expects to review the amount of the flat rent, the approximate rent increase the family could expect, and the approximate date upon which a future rent increase could become effective.
- G. The name and phone number of an individual to call to get additional information or counseling concerning flat rents.
- H. A certification for the family to sign accepting or declining the flat rent.

Each year prior to their anniversary date, Housing Authority of Lincoln County will provide a reexamination letter to the family offering the choice between a flat rent or an income rent. The opportunity to select the flat rent is available only at this time. At the appointment, the Housing Authority of Lincoln County may assist the family in identifying the rent method that would be most advantageous for the family. If the family wishes to select the flat rent method without meeting with the Housing Authority of Lincoln County representative, they may make the selection on the form and return the form to the Housing Authority of Lincoln County. In such case, the Housing Authority of Lincoln County will cancel the appointment and solely verify the family size and whether it is in an appropriate size unit.

15.4 THE INCOME METHOD

During the interview, the family will provide all information regarding income, assets, deductions (eligible expenses), and other information necessary to determine the family's share of rent. The family will sign the HUD consent form and other consent forms that later will be mailed to the sources that will verify the family circumstances.

Upon receipt of verification, the Housing Authority of Lincoln County will determine the family's annual income and will calculate their rent as follows.

The total tenant payment is equal to the highest of:

- A. 10% of the family’s monthly income;
- B. 30% of the family’s adjusted monthly income;

- C. The welfare rent; or
- D. The minimum rent of \$25.

The family shall be informed of the results of the rent calculation under both the Income Method and the Flat Rent and given their choice of which rent to pay.

15.5 EFFECTIVE DATE OF RENT CHANGES FOR ANNUAL REEXAMINATIONS

The new rent will generally be effective upon the anniversary date with thirty (30) calendar days notice of any rent increase to the family.

If the rent determination is delayed due to a reason beyond the control of the family, then any rent increase will be effective the first of the month after the month in which the family receives a 30-day notice of the amount. If the new rent is a reduction and the delay is beyond the control of the family, the reduction will be effective as scheduled on the anniversary date.

If the family caused the delay, then any increase will be effective on the anniversary date. Any reduction will be effective the first of the month after the rent amount is determined.

15.6 INTERIM REEXAMINATIONS

Families must report all changes in income of \$300.00 per month or more. Changes must be reported in writing within ten (10) days of occurrence. Receipt of a deferred payment in a lump sum which represents the delayed start of a periodic payment such as unemployment or a deferral due to a dispute (such as back child support payments) must be reported within ten (10) days of occurrence.

If the family previously had a reduction in their rent because of loss of employment, or are currently unemployed, or are reporting zero (0) income, and have now become employed, an interim reexam will be conducted. Families reporting zero (0) income will be reexamined every thirty (30) days. The family will be required to submit a completed Survival Statement to HALC every thirty (30) days.

During an interim reexamination, only the information affected by the changes being reported will be reviewed and verified.

Families are required to report the following changes to the Housing Authority of Lincoln County between regular reexaminations. If the family's rent is being determined under the income method, these changes will trigger an interim reexamination. The family shall report these changes within ten (10) calendar days of their occurrence.

- A. A member has been added to the family through birth or adoption or court-awarded custody.
- B. A household member is leaving or has left the family unit.

In order to add a household member other than through birth, adoption, or court-awarded custody, the family must request that the new member be added to the lease. Before adding the new member to the lease, the individual must complete an application form stating their income, assets, and all other information required of an applicant. The individual must provide their Social Security number if they have one and must verify their citizenship/eligible immigrant status. (Their housing will not be delayed due to delays in verifying eligible immigrant status other than delays caused by the family.) The new family member will go through the screening process similar to the process for applicants. The Housing Authority of Lincoln County will determine the eligibility of the individual before adding them to the lease. If the individual is found to be ineligible or does not pass the screening criteria, they will be advised in writing and given the opportunity for an informal review. If they are found to be eligible and do pass the screening criteria, their name will be added to the lease. At the same time, if the family's rent is being determined under the income method, the family's annual income will be recalculated taking into account the circumstances of the new family member. The effective date of the new rent will be in accordance with Section 15.8.

A resident requesting a live-in-aide will be required to provide verification of the need for a live-in-aide. In addition, before approval of the live-in-aide, the individual (live-in-aide) must complete an application form for purposes of determining citizenship/eligible immigrant status and the live-in-aide will go through the screening process similar to the process for applicants. The Housing Authority of Lincoln County will determine the eligibility of the live-in-aide before approval can be granted. If the individual is found to be ineligible or does not pass the screening criteria, the resident will be advised in writing and given the opportunity for an informal review. Under no circumstances will the live-in-aide be added to the lease or be considered the last remaining member of a tenant family.

Families are not required to, but may at any time, request an interim reexamination based on a decrease in income, an increase in allowable expenses, or other changes in family circumstances. Upon such request, the Housing Authority of Lincoln County will take timely action to process the interim reexamination and recalculate the tenant's rent.

15.7 SPECIAL REEXAMINATIONS

If a family's income is too unstable to project for twelve (12) months, including families that temporarily have no income (0 renters) or have a temporary decrease in income, the

Housing Authority of Lincoln County may schedule special reexaminations every sixty (60) calendar days until the income stabilizes and an annual income can be determined.

15.8 EFFECTIVE DATE OF RENT CHANGES DUE TO INTERIM OR SPECIAL REEXAMINATIONS

Unless there is a delay in reexamination processing caused by the family, any rent increase will be effective the first of the second month after the month in which the family receives notice of the new rent amount. If the family causes a delay, then the rent increase will be effective on the date it would have been effective had the process not been delayed (even if this means a retroactive increase).

If the new rent is a reduction and any delay is beyond the control of the family, the reduction will be effective the first of the month after the interim reexamination should have been completed.

If the new rent is a reduction and the family caused the delay or did not report the change in a timely manner, the change will be effective the first of the month after the rent amount is determined.

15.9 HOUSING AUTHORITY MISTAKES IN CALCULATING RENT

If the Housing Authority of Lincoln County makes a mistake in calculating a resident's rent contribution and overcharges the resident, the resident shall receive a refund for the amount of the mistake going back a maximum of twenty four (24) months. The refund shall be given to the resident as soon as practical or credited to the resident's account, whichever the resident desires unless the resident owes the Housing Authority money in which case the debt shall be offset to the degree possible before the resident chooses between the two refund methods.

16.0 UNIT TRANSFERS

Some transfers are considered mandatory by HUD, while others are optional.

Mandatory Transfers: Emergency, Demolition/Disposition/Rehabilitation and Occupancy Standards or Income based transfers to comply with HUD deconcentration requirements.

*Mandatory Transfers are considered administrative in nature and are not subject to grievance.

Optional Transfers: Reasonable accommodation.

16.1 OBJECTIVES OF THE TRANSFER POLICY

The objectives of the Transfer Policy include the following:

- A. To address emergency situations.
- B. To fully utilize available housing resources while avoiding overcrowding by ensuring that each family occupies the appropriate size unit.
- C. To facilitate a relocation when required for modernization or other management purposes.
- D. To facilitate relocation of families with inadequate housing accommodations.
- E. To provide an incentive for families to assist in meeting the Housing Authority of Lincoln County's deconcentration goal, if appropriate.
- F. To assist residents, lawful occupants, or affiliated individuals who are victims of actual or threatened domestic violence, dating violence, sexual assault, or stalking according to VAWA.
- G. To eliminate vacancy loss and other expenses due to unnecessary transfers.

16.2 CATEGORIES OF TRANSFERS

Category A: Emergency transfers. These transfers are necessary when conditions pose an immediate threat to the life, health, or safety of a family or one of its members or where a family member, lawful occupant, or affiliated individual is a victim of actual or threatened domestic violence, dating violence, sexual assault, or stalking to family members or affiliated individuals. Such situations may involve defects of the unit or the building in which it is located, the health condition of a family member, a hate crime, the safety of witnesses to a crime, or a law enforcement matter particular to the neighborhood. All emergency transfers shall be completed as soon as practical.

The Housing Authority of Lincoln County has a specific VAWA Emergency Transfer Policy that is incorporated by reference into this ACOP and will govern all transfers requested under VAWA.

Category B: Immediate administrative transfers. These transfers are necessary in order to permit a family needing accessible features to move to a unit with such a feature or to enable modernization, revitalization, disposition or demolition work to proceed. When an accessible unit becomes available, it shall first be offered to families needing it who reside on the site that has the vacancy, then to other public housing residents needing the special accessibility features, and finally to appropriate people on the waiting list.

Category C: Regular administrative transfers. These transfers are made to offer incentives to families willing to help meet certain Housing Authority of Lincoln County occupancy goals, to correct occupancy standards where the unit size is inappropriate for the size and composition of the family, to allow for approved reasonable accommodation transfers, and other transfers approved by the Housing Authority of Lincoln County when a transfer is the only or best way of solving a serious problem. HALC has established a policy to exclude elective transfers. Transfers from tenants other than reasonable accommodation requests will not be approved.

16.3 DOCUMENTATION

When the transfer is at the request of the family, the family will be required to submit a request for reasonable accommodation and to provide third party verification of the need for the requested transfer.

When the transfer is a result of an action protected under VAWA, the documentation required under the VAWA Emergency Transfer shall be required.

16.4 PROCESSING TRANSFERS

Transfers on the waiting list will be sorted by the above categories and within each category by date and time.

Transfers in category A and B will be housed ahead of any other families, including those on the applicant waiting list. Transfers in category A will be housed ahead of transfers in category B and transfers in category C will be housed after A & B.

When feasible, tenants will be provided with a 30 day advance notification of a Housing Authority requested move and have five (5) days to accept or reject the offer. Upon offer and acceptance of a unit, the family will execute all lease up documents and pay any rent and/or security deposit within five (5) days of being informed the unit is ready to rent. Upon mutual agreement, the time frame outlined above can be adjusted to meet the needs of either the Housing Authority of Lincoln County or the family. The family will be allowed seven (7) days to complete a transfer. The family will be responsible for paying rent at the old unit until such time as the unit keys are turned in. The prorated rent and other charges (key deposit and any additional security deposit owing) must be paid at the time of lease execution.

The following is the policy for the rejection of an offer to transfer:

- A. Mandatory Transfers - Transfer is being made at the request of the Housing Authority of Lincoln County and meets the definition of mandatory transfer, the family may reject only one offer of an appropriate comparable unit with a verifiable hardship. Upon the rejection of a second offer, the Housing Authority of Lincoln County will take action to terminate their tenancy.
- B. Reasonable Accommodation - Transfer is being made at the family's request, for reasonable accommodation, if the unit being offered is a comparable unit and meets the needs outlined in the reasonable accommodation request, only one offer will be made. If the tenant refuses the offered unit, no other offers will be made for that reasonable accommodation request. Tenant must document verifiable medical hardship to remain on the transfer list. The tenant can refuse the offer of a unit that is not comparable (i.e. more than five miles from their current unit, or does not meet the needs outlined in the request). In those cases, tenants can remain on the transfer list until a comparable unit is available.

16.5 COST OF THE FAMILY'S MOVE

The cost of the transfer generally will be borne by the family in the following circumstances:

- A. When the transfer is made at the request of the family for reasonable accommodation or by others on behalf of the family (i.e., by the police);
- B. When the transfer is made under VAWA;
- C. When the transfer is needed to move the family to an appropriately sized unit, either larger or smaller;
or
- D. When the transfer is needed because action or inaction by the family caused the unit to be unsafe or uninhabitable.

The cost of the transfer will be borne by the Housing Authority of Lincoln County in the following circumstances:

- A. When the transfer is needed in order to carry out modernization, disposition or demolition activities; or
- B. When action or inaction by the Housing Authority of Lincoln County has caused the

unit to be unsafe or inhabitable; or

- C. When the transfer is necessitated because a family with disabilities needs the accessible unit into which the transferring family moved.

The responsibility for moving costs in other circumstances will be determined on a case by case basis.

16.6 TENANTS IN GOOD STANDING

When the transfer is at the request of the family, it will not be approved unless the family is in good standing with the Housing Authority of Lincoln County or a VAWA victim. This means the family must be in compliance with their lease, current in all payments to the Housing Authority, and must pass a housekeeping inspection.

16.7 TRANSFER REQUESTS

A tenant may request a transfer at any time by completing a transfer request form. In considering the request, the Housing Authority of Lincoln County may request a meeting with the tenant to better understand the need for transfer and to explore possible alternatives. The Housing Authority of Lincoln County will review the request in a timely manner and if a meeting is desired, it shall contact the tenant within ten (10) business days of receipt of the request to schedule a meeting.

The Housing Authority of Lincoln County will grant or deny the transfer request in writing within ten (10) business days of receiving the request or holding the meeting, whichever is later. Transfer requests that require third party verification will be decided within ten (10) business days of receiving the verification.

If the transfer request is approved, the family's name will be added to the transfer waiting list.

If the transfer is denied, the denial letter will advise the family of their right to utilize the grievance procedure.

If the transfer is requested under VAWA, the provisions of VAWA shall apply.

16.8 RIGHT OF THE HOUSING AUTHORITY OF LINCOLN COUNTY IN TRANSFER POLICY

The provisions listed above are to be used as a guide to ensure fair and impartial means of assigning units for transfers. It is not intended that this policy will create a property right or any other type of right for a tenant to transfer or refuse to transfer.

17.0 INSPECTIONS

An authorized representative of the Housing Authority of Lincoln County and an adult family member will inspect the premises prior to commencement of occupancy. A written statement of the condition of the premises will be made, all equipment will be provided, and the statement will be signed by both parties with a copy retained in the Housing Authority of Lincoln County file and a copy given to the family member. An authorized Housing Authority of Lincoln County representative will inspect the premises at the time the resident vacates and will furnish a statement of any charges to be made provided the resident turns in the proper notice under State law. The resident's security deposit can be used to offset against any Housing Authority of Lincoln County damages to the unit.

17.1 MOVE-IN INSPECTIONS

The Housing Authority of Lincoln County and an adult member of the family will inspect the unit prior to signing the lease. Both parties will sign a written statement of the condition of the unit. A copy of the signed inspection will be given to the family and the original will be placed in the tenant file.

17.2 ANNUAL INSPECTIONS

The Housing Authority of Lincoln County will inspect each public housing unit annually to ensure that each unit meets the Housing Authority of Lincoln County's housing standards. Work orders will be submitted and completed to correct any deficiencies.

17.3 PREVENTATIVE MAINTENANCE INSPECTIONS

This is generally conducted along with the annual inspection. This inspection is intended to keep items in good repair. It checks weatherization; checks the condition of the smoke detectors, water heaters, furnaces, automatic thermostats and water temperatures; checks for leaks; and provides an opportunity to change furnace filters and provide other minor servicing that extends the life of the unit and its equipment.

17.4 SPECIAL INSPECTIONS

A special inspection may be scheduled to enable HUD or others to inspect a sample of the housing stock maintained by the Housing Authority of Lincoln County.

17.5 HOUSEKEEPING INSPECTIONS

Generally, at the time of annual reexamination, or at other times as necessary, the Housing Authority of Lincoln County will conduct a housekeeping inspection to ensure the family is maintaining the unit in a safe and sanitary condition. If a unit fails due to housekeeping issues the household will be placed on the housekeeping watch list. Household will remain on the watch list until they pass three consecutive monthly inspections. If the household fails three consecutive monthly inspections, an eviction notice will be issued for failure to comply with the housekeeping lease provisions. Failure to cure the deficiencies within the stated cure period will result in the implementation of eviction proceedings in accordance with lease terms.

After completion of three successful monthly inspections, household will be moved to quarterly inspections. All Repayment Agreements must assure that the full payment is made within a period not to exceed twelve (12) months. If feasible, the total amount paid will not exceed 40% of monthly adjusted income. All Repayment Agreements must be in writing and signed by both parties. They must include the following elements:

- A. Reference to the paragraphs in the Public Housing lease or whereby the tenant is in non-compliance and may be subject to termination of tenancy or assistance, or both.
- B. The monthly retroactive rent repayment amount is in addition to the family's regular rent contribution and is payable to the PHA.
- C. The terms of the agreement may be renegotiated if there is a decrease or increase in the family's income.
- D. Late and missed payments constitute default of the repayment agreement and may result in termination of tenancy and/or assistance.

Refusal to enter into a Repayment Agreement for monies owed will subject the family to eviction procedures.

20.0 TERMINATION

20.1 *TERMINATION BY TENANT*

The tenant may terminate the lease at any time upon submitting a 30-day written notice. If the tenant vacates prior to the end of the thirty (30) calendar days, they will be responsible for rent through the end of the notice period or until the unit is re-rented, whichever occurs first.

20.2 TERMINATION BY THE HOUSING AUTHORITY

- S. Other good cause.

If an individual or family's lease is terminated for criminal activity, the Housing Authority of Lincoln County will notify the local post office serving the development that the individual or family no longer lives there.

In deciding to terminate a tenancy for criminal activity or alcohol abuse, the Housing Authority of Lincoln County will require a leaseholder to exclude a household member in order to continue to reside in the assisted unit, where that

household member has participated in or been culpable for an action or failure to act that warrants the termination.

In deciding to terminate a tenancy for illegal drug use or a pattern of illegal drug use by a household member who is no longer engaging in such use, or for abuse or a pattern of abuse of alcohol by a household member who is no longer engaging in such abuse, the Housing Authority of Lincoln County may consider whether such household member:

1. Is participating in a supervised drug or alcohol rehabilitation program;

3. Has otherwise been successfully rehabilitated.

For this purpose, Housing Authority of Lincoln County may require the leaseholder to submit evidence of one of the above 3 statements.

20.2A VAWA PROTECTIONS

Under the Violence Against Women Act (VAWA, notwithstanding the title of the statute, protections are not limited to women but cover victims regardless of sex, gender identity, or sexual orientation), public housing residents have the following specific protections, which will be observed by the Housing Authority of Lincoln County:

An incident or incidents or actual or threatened domestic violence, dating violence, sexual assault, or stalking will not be construed as a serious or repeated violation of the lease by the victim or threatened victim of that violence, and shall not in itself be good

cause for terminating the assistance, tenancy, or occupancy rights of the victim of such violence.

The Housing Authority of Lincoln County shall provide each applicant and resident a HUD prescribed Notice of Occupancy Rights and Certification form. It shall also be provided with any notice of eviction. In addition, the Authority shall make an adopted Emergency Transfer Plan and Emergency Transfer Request available upon request.

The Housing Authority of Lincoln County shall keep a record of all emergency transfer requests requested under the Emergency Transfer Plan and the outcome of these requests for three years.

The Housing Authority may terminate the assistance to remove a lawful occupant or tenant who engages in criminal acts or threatened acts of violence, dating violence, sexual assault, or stalking to family members or affiliated individuals without terminating the assistance or evicting victimized lawful occupants. This is also true even if the household member or affiliated individual is not a signatory to the lease. Under VAWA, the Housing Authority of Lincoln County is granted the authority to bifurcate the lease. The VAWA victim must be the one who retains the assistance.

The Housing Authority will honor court orders regarding the rights of access or control of the property.

There is no limitation on the ability of the Housing Authority to evict for other good cause unrelated to the incident or incidents of domestic violence, dating violence, sexual assault, or stalking, other than the victim may not be subject to a “more demanding standard” than non-victims.

There is no prohibition on the Housing Authority evicting if it “can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if that tenant’s (victim’s) tenancy is not terminated.” An actual and imminent threat consists of a physical danger that is real, would occur within an immediate timeframe, and could result in death or serious bodily harm. In determining whether an individual would pose an actual and imminent threat, the factors to be considered include: the duration of the risk, the nature and severity of the potential harm, the likelihood that the potential harm will occur, and the length of time before the potential harm would occur.

Any protections provided by law which give greater protection to the victim are not superseded by these provisions.

The Housing Authority of Lincoln County shall require verification in all cases where an individual claims protection against an action involving such individual proposed to be taken by the Housing Authority. Types of acceptable verifications are outlined below,

and must be submitted within 14 business days after receipt of the Housing Authority's written request for verification.

20.2B VERIFICATION OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT OR STALKING

The Housing Authority of Lincoln County shall require verification in all cases where an individual claims protection against an action involving such individual proposed to be taken by the Housing Authority.

- A. Requirement for Verification.** The law allows, but does not require, the Housing Authority of Lincoln County to verify that an incident or incidents of actual or threatened domestic violence, dating violence, sexual assault, or stalking claimed by a tenant or other lawful occupant is bona fide and meets the requirements of the applicable definitions set forth in this policy. The Housing Authority shall require verification in all cases where an individual claims protection against an action involving such individual proposed to be taken by the Housing Authority.

Verification of a claimed incident or incidents of actual or threatened domestic violence, dating violence, sexual assault, or stalking may be accomplished in one of the following three ways:

- 1. HUD-approved form** - By providing to the Housing Authority a written certification, on the form approved by the U.S. Department of Housing and Urban Development (HUD), that the individual is a victim of domestic violence, dating violence, sexual assault, or stalking that the incident or incidents in question are bona fide incidents of actual or threatened abuse meeting the requirements of the applicable definition(s) set forth in this policy. The incident or incidents in question must be described in reasonable detail as required in the HUD-approved form, and the completed certification must include the name of the perpetrator, only if the name of the perpetrator is safe to provide and is known to the victim.
- 2. Other documentation** - by providing to the Housing Authority documentation signed by an employee, agent, or volunteer of a victim service provider, an attorney, or a medical professional, from whom the victim has sought assistance in addressing the domestic violence, dating violence, sexual assault, or stalking, or the effects of the abuse, described in such documentation. The professional providing the documentation must sign and attest under penalty of perjury (28 U.S.C. 1746) to the professional's belief that the incident or incidents in question are bona fide incidents of abuse meeting the requirements of the applicable definition(s) set forth in this policy. The victim of the incident or incidents of domestic violence, dating violence, sexual assault or stalking described in the

documentation must also sign and attest to the documentation under penalty of perjury.

3. ***Police or court record*** – by providing to the Housing Authority a Federal, State, tribal, territorial, or local law enforcement or court record describing the incident or incidents in question.
- B. *Time allowed to provide verification/failure to provide.*** An individual who claims protection against adverse action based on an incident or incidents of actual or threatened domestic violence, dating violence, sexual assault, or stalking, and who is requested by the Housing Authority to provide verification, must provide such verification within 14 business days after receipt of the written request for verification. Failure to provide verification, in proper form within such time will result in loss of protection under VAWA and this policy against a proposed adverse action. The submission of false information may be the basis for the termination of assistance or for eviction.
- C. *Managing conflicting documentation.*** In cases where the Housing Authority of Lincoln County receives conflicting certification documents from two or more members of a household, each claiming to be a victim and naming one or more of the other petitioning household members as the perpetrator, the Housing Authority of Lincoln County may determine which is the true victim by requiring third-party documentation as described in 24 CFR 5.2007 and in accordance with any HUD guidance as to how such determinations will be made. The Housing Authority of Lincoln County shall honor any court orders addressing rights of access or control of the property, including civil protection orders issued to protect the victim and issued to address the distribution or possession of property among the household.

20.2C CONFIDENTIALITY

All information provided under VAWA including the fact that an individual is a victim of domestic violence, dating violence, sexual assault, or stalking, shall be retained in confidence and shall not be entered into any shared database or provided to any related entity except to the extent that the disclosure is:

- A. Requested or consented to by the individual in writing;
- B. Required for used in an eviction proceeding; or
- C. Otherwise required by applicable law.

The Housing Authority of Lincoln County shall provide its tenants notice of their rights under VAWA including their right to confidentiality and the limits thereof.

20.3 TERMINATIONS FOR CRIMINAL ACTIVITY

- A. The term “due process determination” means a determination by HUD that law covering the Housing Authority of Lincoln County’s jurisdiction requires that residents must be given the opportunity for a hearing in court which provides the basic elements of due process before eviction from the dwelling unit.
- B. HUD has issued a due process determination that the law of this State requires that residents be given the opportunity for a hearing in a court that provides the basic elements of due process before eviction from a dwelling unit. The Housing Authority of Lincoln County has therefore determined that this Grievance Procedure shall not be applicable to any termination of tenancy or eviction for:
 - 1. Any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the Housing Authority of Lincoln County’s public housing premises by other residents or employees of the Housing Authority;
 - 2. Any violent or drug-related criminal activity on or off such premises; or
 - 3. Any activity resulting in a felony conviction.

20.4 ABANDONMENT

The Housing Authority of Lincoln County will consider a unit to be abandoned when a resident has both fallen behind in rent **AND** has clearly indicated by words or actions an intention not to continue living in the unit.

When a unit has been abandoned, a Housing Authority of Lincoln County representative may enter the unit and remove any abandoned property. It will be stored in a reasonably secure place. A notice will be mailed to the resident stating where the property is being stored and when it will be sold. If the Housing Authority of Lincoln County does not have a new address for the resident, the notice will be mailed to the unit address so it can be forwarded by the post office.

If the total value of the property is estimated at less than \$500, the Housing Authority of Lincoln County will mail a notice of the sale or disposition to the resident and then wait eight (8) calendar days. Family pictures, keepsakes, and personal papers cannot be sold or disposed of until eight (8) calendar days after the Housing Authority of Lincoln County mails the notice of abandonment. Disposition of property will be in accordance with Oregon statute 90.425.

If the estimated value of the property is more than \$500, the Housing Authority of Lincoln County will mail a notice of the sale or disposition to the resident and then wait

eight (8) calendar days before sale or disposition. Personal papers, family pictures, and keepsakes can be sold or disposed of at the same time as other property. Disposition of property will be in accordance with Oregon statute 90.425.

Any money raised by the sale of the property goes to cover money owed by the family to the Housing Authority of Lincoln County such as back rent and the cost of storing and selling the goods. If there is any money left over and the family's forwarding address is known the Housing Authority of Lincoln County will mail it to the family. If the family's address is not known, the Housing Authority of Lincoln County will keep it for the resident for one year. If it is not claimed within that time, it belongs to the Housing Authority of Lincoln County.

Within thirty (30) calendar days of learning of an abandonment, the Housing Authority of Lincoln County will either return the deposit or provide a statement of why the deposit is being kept.

20.5 RETURN OF SECURITY DEPOSIT

After a family moves out, the Housing Authority of Lincoln County will return the security deposit within thirty (30) or give the family a written statement of why all or part of the security deposit is being kept. The rental unit must be restored to the same conditions as when the family moved in, except for normal wear and tear. Deposits will not be used to cover normal wear and tear or damage that existed when the family moved in.

If State law requires the payment of interest on security deposits, it shall be complied with.

The Housing Authority of Lincoln County will be considered in compliance with the above if the required payment, statement, or both, are deposited in the U.S. mail with first class postage paid within thirty (30) calendar days.

20.6 THE EIV'S DECEASED TENANTS REPORT

The Housing Authority of Lincoln County shall generate the EIV's Deceased Tenants Report monthly shortly before either the end of the month or creating rent statements to see if the system flags deceased residents. The Housing Authority of Lincoln County shall review the report and follow up with any listed families immediately and take any necessary corrective action as set forth in PIH Notice 2010-50 or successor publications.

If it is a single member household, immediately visit the unit and determine if it is vacant or occupied by an unauthorized person. If improperly occupied, take immediate eviction actions under state law. If the property is occupied by a live-in-aide to the

deceased person, the aide must move out immediately and is not eligible for continued occupancy or rental assistance.

21.0 SUPPORT FOR OUR ARMED FORCES

A major and important component of our armed forces are the part-time military personnel that serve in various Reserve and National Guard units. The Housing Authority of Lincoln County is very supportive of these men and women. An unfortunate fact of service in both the Reserves and National Guard is that from time to time their personnel are activated to full-time status and asked to serve our country in a variety of ways and circumstances. Whenever the Federal Government activates Reserve and/or National Guard personnel, the Housing Authority of Lincoln County wants to support these brave warriors in the following manners:

- A. If a family finds it necessary for another adult to temporarily move into a unit solely to serve as a temporary guardian for children residing in the unit, the income received by the temporary guardian will not be counted in determining family income.
- B. Although typically a criminal background check is required before anyone can move into a public housing unit, this requirement will be waived for a temporary guardian. Instead, the background check will occur after the person moves in. If the results of the check dictate that the person is ineligible for public housing, the family shall be given a reasonable time to find a replacement temporary guardian.
- C. Recognizing that activation in the Reserves or National Guard can be very disruptive to a family's income, the Housing Authority of Lincoln County will expeditiously re-evaluate a resident's rent if requested to do so and will exercise reasonable restraint if the activated resident has trouble paying their rent.
- D. Typically a unit cannot be held by a family that is not residing in it as their primary residence. If all members of a military family are temporarily absent from the unit because a member of the family has been called to active duty, the family can retain control of the unit by paying the required rent and returning to the unit within 30 calendar days of the conclusion of the active duty service.

22.0 ANTI-FRAUD POLICY

The Housing Authority of Lincoln County is fully committed to combating fraud in its public housing program. It defines fraud as a single act or pattern of actions that include false statements, the omission of information, or the concealment of a substantive fact

made with the intention of deceiving or misleading the Housing Authority of Lincoln County. It results in the inappropriate expenditure of public housing funds and/or a violation of public housing requirements.

Although there are numerous different types of fraud that may be committed, the two most common are the failure to fully report all sources of income and the failure to accurately report who is residing in the residence. The Housing Authority of Lincoln County shall aggressively attempt to prevent all cases of fraud.

When a fraudulent action is discovered, the Housing Authority of Lincoln County shall take action. It shall do one or more of the following things depending on circumstances and what it determines appropriate:

- A. Require the resident to immediately repay the amount in question;
- B. Require the resident to enter into a satisfactory repayment agreement as set forth in a previous section of this Policy;
- C. Terminate the resident's tenancy;
- D. Refer the case for criminal prosecution; or
- E. Take such other action as the Housing Authority of Lincoln County deems appropriate.

23.0 PRIVACY

The Housing Authority of Lincoln County is strongly committed to protecting the privacy of people dealing with the agency to the greatest degree practical. There are numerous federal privacy laws, regulations, notices, and other requirements that the Housing Authority follows to the greatest degree practical. Details about these requirements are set forth in PIH Notice 2015-06 and any ensuing publications. The Housing Authority will educate all of its employees who have access to personally identifiable information (PII) and/or Sensitive Personally Identifiable Information about these requirements and expect them to appropriately manage and safeguard the information. Employees will also be trained on the proper disposition of said information.

24.0 CONDUCTING BUSINESS IN ACCORDANCE WITH CORE VALUES AND ETHICAL STANDARDS

24.1 PURPOSE

This Code of Conduct establishes standards for employee and Commissioner conduct that will assure the highest level of public service. This Code of Conduct is not intended, nor should it be construed, as an attempt to unreasonably intrude upon the individual employee or Commissioner's right to privacy and the right to participate freely in a democratic society and economy.

24.2 CONFLICT OF INTEREST

Neither the Housing Authority of Lincoln County nor any of its contractors or subcontractors may enter into any contract or arrangement in connection with any program in which any of the following classes of persons has any interest, direct or indirect, during his or her tenure with the Housing Authority of Lincoln County or for one year thereafter:

- A. Any present or former member or officer of the Housing Authority (except a participant commissioner);

The Conflict of Interest prohibition under this section (24.2) may be waived by the HUD Field Office upon the request of the Housing Authority of Lincoln County for good cause.

24.3 PROHIBITION OF SOLICITATION OR ACCEPTANCE OF GIFTS

No Commissioner or Authority employee shall solicit any gift or consideration of any kind, nor shall any Authority employee accept or receive a gift having value in excess of \$25 regardless of the form of the gift, from any person who has an interest in any matter proposed or pending before the Authority.

24.4 HOUSING AUTHORITY ADMINISTRATIVE AND DISCIPLINARY REMEDIES FOR VIOLATION OF THE HOUSING AUTHORITY CODE OF CONDUCT
